Black and Catholic Tia Noelle Pratt,2025-09-01 Black and Catholic documents the exclusion erasure and systematic racism faced by Black Catholics filling an essential gap in both Catholic and Black history In the storied history of the U S Catholic community there is a long standing myth held by Catholics and non Catholics alike that there are no Black Catholics In this deeply researched and compelling book Tia Noelle Pratt debunks this myth and brings forward the religious experiences and culture of Black Catholics filling a void in the literature of both U S Catholicism and African American religion She identifies the nature and ramifications of systemic racism on American Catholicism and how that marginalization impacts Black Catholic identity Building on her extensive research Pratt amplifies the voices and experiences of Black Catholics through original interviews and by sharing the story of St Peter Claver Philadelphia s first Black Catholic church Black and Catholic also explores the ways that liturgy and music can build community celebrate individuality and resist racism Black and Catholic is an essential book that centralizes the Black Catholic community revealing the heartache of racism and discrimination the comfort drawn from the strength of generations of believers and the celebration from combining the music and traditions of African American religious experiences with the belief and rituals of Roman Catholicism

**The Sanctuary City** Domenic Vitiello,2022-08-15 In The Sanctuary City Domenic Vitiello argues that sanctuary means much more than the limited protections offered by city governments or churches sheltering immigrants from deportation It is a wider set of protections and humanitarian support for vulnerable newcomers Sanctuary cities are the places where immigrants and their allies create safe spaces to rebuild lives and communities often through the work of social movements and community organizations or civil society Philadelphia has been an important center of sanctuary and reflects the growing diversity of American cities in recent decades One result of this diversity is that sanctuary means different things for different immigrant refugee and receiving communities Vitiello explores the migration settlement and local and transnational civil society of Central Americans Southeast Asians Liberians Arabs Mexicans and their allies in the region across the late twentieth and early twenty first centuries Together their experiences illuminate the diversity of immigrants and refugees in the United States and what is at stake for different people and for all of us in our immigration debates
