swapped paintings ideas and influences as they jostled for the support of collectors like Leo and Gertrude Stein and vied for the leadership of a new avant garde Jackson Pollock's uninhibited style of action painting triggered a breakthrough in the work of his older rival Willem de Kooning After Pollock's sudden death in a car crash de Kooning assumed Pollock's mantle and became romantically involved with his late friend's mistress Lucian Freud and Francis Bacon met in the early 1950s when Bacon was being hailed as Britain's most exciting new painter and Freud was working in relative obscurity Their intense but asymmetrical friendship came to a head when Freud painted a portrait of Bacon which was later stolen Each of these relationships culminated in an early flashpoint a rupture in a budding intimacy that was both a betrayal and a trigger for great innovation Writing with the same exuberant wit and psychological insight that earned him a Pulitzer Prize for art criticism Sebastian Smee explores here the way that coming into one's own as an artist finding one's voice almost always involves willfully breaking away from some intimate's expectations of who you are or ought to be Praise for *The Art of Rivalry* Gripping Mr Smee's skills as a critic are evident throughout He is persuasive and vivid You leave this book both nourished and hungry for more about the art its creators and patrons and the relationships that seed the ground for moments spent at the canvas *The New York Times* With novella like detail and incisiveness Sebastian Smee opens up the worlds of four pairs of renowned artists Each of his portraits is a biographical gem *The Art of Rivalry* is a pure informative delight written with canny authority *The Boston Globe*

established as a professional painter they are peppered with wit affection and irreverence Collectively they provide a powerful insight into his early life and art Co authored by David Dawson Freuds longstanding personal assistant and now Director of the Lucian Freud Archive and Martin Gayford author critic and friend of the artist this is the first published collection of Freuds correspondence Reproduced in facsimile alongside reproductions of Freuds artwork the letters are linked by a narrative that weaves them into the story of his life and relationships through his formative first three decades
