Luck of the Draw Chris Gudgeon, 2002-07-01 Money Gobs of it In the blink of an eye or the drop of a ball it's all yours Everyone dreams about striking it rich by winning a lottery We all feverishly line up to purchase our tickets and watch TV or scan the newspapers to see if we have won even though the odds are better that we will be struck by lightning Still we persevere because no matter what else happens this week you can be sure that someone somewhere will win the big one Lotteries are an unparalleled popular phenomenon But what happens after the winners are revealed and the checks have been issued How does winning a lottery change one's life Luck of the Draw profiles past winners of big lotteries and how their windfall impacted their lives mostly for the better but interestingly sometimes for the worse such was the case of a Florida widow who won 5 million in 1984 three years later she lost her mansion and fancy cars and owed the IRS 500 000 for back taxes Eventually she was arrested for trying to hire a contract killer to take out her daughter in law whom she blamed for her lottery misfortune The book also depicts the past present and future of lotteries in North America and the world over and includes a special chapter on the revived phenomenon of big time TV game show winners Who wants to be a millionaire Seemingly everyone In a country where eighty percent of adults have played a lottery creating a multi billion dollar industry Luck of the Draw is an insightful inside look at lotteries its winners and its losers [Luck of the Draw : True-life Tales of Lotteries and Their Winners](#) Chris Gudgeon, 1995 Money Gobs of it In the blink of an eye or the drop of a ball it's all yours Everyone dreams about striking it rich by winning a lottery We all feverishly line up to purchase our tickets and watch TV or scan the newspapers to see if we have won even though the odds are better that we will be struck by lightning Still we persevere because no matter what else happens this week you can be sure that someone somewhere will win the big one Lotteries are an unparalleled popular phenomenon But what happens after the winners are revealed and the checks have been issued How does winning a lottery change one's life Luck of the Draw profiles past winners of big lotteries and how their windfall impacted their lives mostly for the better but interestingly sometimes for the worse such was the case of a Florida widow who won 5 million in 1984 three years later she lost her mansion and fancy cars and owed the IRS 500 000 for back taxes Eventually she was arrested for trying to hire a contract killer to take out her daughter in law whom she blamed for her lottery misfortune The book also depicts the past present and future of lotteries in North America and the world over and includes a special chapter on the revived phenomenon of big time TV game show winners Who wants to be a millionaire Seemingly everyone In a country where eighty percent of adults have played a lottery creating a multi billion dollar industry Luck of the Draw is an insightful inside look at lotteries its winners and its losers *The Meritocracy Myth* Stephen J.
