river it is now a privately owned tourist attraction The story's flood theme may have been inspired by California's Great Flood of 1862 which Harte witnessed The story takes place in a small struggling mining town located in the foothills of the California mountains at the time of the gold rush The camp is suffering from a long string of bad luck With only one woman in their midst it seems as though the miners have no future However the tide turns when a small boy is born Thomas Luck is the first newborn the camp has seen in ages things are looking up The miners become cheerful foliage begins to grow and there is talk of building a hotel to attract outsiders Unfortunately the hope is wiped out by the sudden death of Luck in a flood Water brought gold to the gulches giving miners their first glimmer of hope And water takes away what seems their last glimmer Luck Francis Bret Harte August 25 1836 May 5 1902 was an American short story writer and poet best remembered for his short fiction featuring miners gamblers and other romantic figures of the California Gold Rush In a career spanning more than four decades he wrote poetry fiction plays lectures book reviews editorials and magazine sketches in addition to fiction As he moved from California to the eastern U S to Europe he incorporated new subjects and characters into his stories but his Gold Rush tales have been most often reprinted adapted and admired Luck of Roaring Camp and Other Sketches Bret Harte,1974-06 Presents three stories of the gamblers miners whores and other characters in California during the Gold Rush *The Luck of Roaring Camp Poems, and Other Sketches* Bret Harte,2023-02-25 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
