## Ludwig II:

*The Romance of Ludwig II. of Bavaria* Frances A. Gerard, 1899      The Swan King Christopher McIntosh, 2012-07-26 The Swan King is the biography of one of the most enigmatic figures of the 19th century described by Verlaine as the only true king of his century A man of wildly eccentric temperament and touched by a rare imaginative genius Ludwig II of Bavaria is remembered both for his patronage of Richard Wagner and for the fabulous palaces which he created as part of a dream world to escape the responsibilities of state In realization of his fantasies he created a ferment of creativity among artists and craftsmen while his neglect of Bavaria's political interests made powerful enemies among those critical of his self indulgence and excesses At the age of 40 declared insane in a plot to depose him Ludwig died in mysterious circumstances      *Ludwig the Second, King of Bavaria* Clara Tschudi, 2022-09-04 DigiCat Publishing presents to you this special edition of Ludwig the Second King of Bavaria by Clara Tschudi DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature      **Ludwig II** Markus Spangenberg, 2015-10-15      **Ludwig the Second, King of Bavaria** Clara Tschudi, 2019-12-11 In *Ludwig the Second King of Bavaria* Clara Tschudi offers a comprehensive biographical examination of the enigmatic king exploring both the intricate political landscape of 19th century Bavaria and the complex psyche of Ludwig himself Tschudi employs a narrative style that intertwines vivid storytelling with meticulous historical research shedding light on Ludwig's artistic predilections his grandiose architectural projects and his tragic fate The book situates Ludwig within the broader context of European monarchy examining how his reign reflected the cultural and political upheavals of the era including the tensions between modernization and tradition Clara Tschudi a distinguished historian and biographer brings her substantial expertise in German history and culture to this work Her fascination with Ludwig's life marked by his passion for the arts his reclusion and his aspirations as a patron of the Romantic movement shapes her analytical approach Tschudi draws on a wealth of primary sources and contemporary accounts to depict the life of a ruler whose legacy continues to captivate the imagination of scholars and the public alike This book is highly recommended for readers interested in the interplay of art politics and psychology within historical narratives Tschudi's deft storytelling coupled with her rigorous scholarly approach makes *Ludwig the Second King of Bavaria* an invaluable resource for anyone seeking to understand the life and times of one of Bavaria's most intriguing monarchs      The Dream King Wolfgang Seitz, 1986      The romance of Ludwig II of Bavaria, by Frances Gerard Geraldine Penrose Fitzgerald, 1899      **King Ludwig II** Hans Rall, Michael Petzet, Franz Merta, 2001 Highlighting a personality that is fascinating disconcerting and hidden behind a veil of myth and legend this biography of Bavaria's most colorful ruler King Ludwig II draws a detailed and fascinating picture of Mad Ludwig based on historical sources The study demonstrates that quite a few longstanding beliefs about the man are pure fiction and

the authors all of them renowned experts on the subject have created a compilation unrivalled in commentary and pictures A thorough life history is featured discussing his relationship to the arts providing a detailed overview of his travels and including extensive documentation of previously unknown photographs     **Ludwig II** Desmond Chapman-Huston,1990 For this balanced and sympathetic biography the author was given the complete freedom of the secret Archives of the Royal House of Wittelsbach     **The Dream King** Wilfrid Blunt,1970 A biography of Ludwig II King of Bavaria who ruled from 1864 to 1886     **Ludwig II.** ,2015 Photographs of buildings and places from the life and death of Bavarian King Ludwig II including Neuschwanstein Castle Linderhof Herrenchiemsee Nymphenburg Lake Starnberg and more King Ludwig II built a fantasy world for himself which in the long run was not compatible with his duties as Head of State The circumstances surrounding his death remain a mystery until today     *My Letters from Ludwig* C. Robert Holloway,2004-09-27 While apprenticing backstage at Richard Wagners legendary Festival Theatre in Bayreuth Germany C R Holloway happens onto a handwritten note purporting to be from King Ludwig II If real its allegations are so slanderous they would further stain Wagners and Ludwigs already sullied reputations and outrage their descendents and admirers Reluctant to inform anyone of his discovery Holloway hides the note inside the lining of his luggage and on returning home to Honolulu stows it in a safety deposit box hoping eventually to find time to verify its genesis and authenticity Shortly his Waikiki postman delivers a letter in which its writer demands the found note be destroyed immediately Written in a hand identical to the original it is signed by someone claiming to be Ludwig himself Soon a series of revealing letters arrive from Ludwig in which he becomes increasingly more hostile toward Holloway and proportionately less self recriminatory Concurrent with the arrival of these letters Holloways life takes a bizarre and disquieting turn that includes his phone being tapped frequent nightmares and surprise visitors from Germany All of which energizes his determination to return to Bavaria surreptitiously investigate Ludwigs world and prowl his castles in search of the truth about the tortured life and mysterious death of The Mad King While a paying guest of the Hohenlohes a wealthy family of nobility in Munich Holloway becomes involved with their nineteen year old son Reiger a strikingly handsome moody first year medical student Their edgy relationship nearly gets the two of them killed In the end Holloways findings are sure to anger Wagnerian purists infuriate Bavarian bureaucrats startle keepers of Ludwigs flame and give tourists a new perspective while tramping through the Mad Kings Dream Castles     King Ludwig II of Bavaria and Neuschwanstein Michael Petzet,1996     **The Mad King** Greg King,1996 Berg Hohenschwangau Castle and Linderhof were jewels but his crowning achievement Neuschwanstein rivaled any other on the continent a monumental creation second only to the Hermitage     *A Royal Recluse* Werner Bertram,1936     **Ludwig II and His Dream Castles** Ludwig Merkle,1995     Not So Happily Ever After Susan Barnett Braun,2012-07-03 Think history is boring Then you ve never met Mad King Ludwig who inspired Walt Disney with his magnificent castle in the clouds He ruled the German kingdom of Bavaria for twenty two years inspiring his people by his support for the arts And yet Mad King Ludwig

rarely appeared in the capital or attended any government functions He slept most of the day and stayed awake all night He dined with his horse and waved pistols at servants He created a fantasy world inside his castles complete with caves and trap door tables To this day no one is sure exactly what caused his untimely death in a lake Who was this man fairy tale king Insane eccentric Mad King Ludwig s life followed many twists and turns on its way to Not So Happily Ever After The book s intended audience is young adults but it is perfect for adults wanting to learn more about Ludwig also **Ludwig II King of Bavaria** Clara Tschudi,2015-04-17 Ludwig II the Fairy Tale King was King of Bavaria from 1864 until his mysterious death He succeeded to the throne aged 18 Two years later Bavaria was effectively absorbed into the German Empire Ludwig remained King of Bavaria but largely ignored such state affairs as remained to Bavaria in favor of extravagant artistic and architectural projects He commissioned the construction of two lavish palaces and the Neuschwanstein Castle and was a devoted patron of the composer Richard Wagner Ludwig spent the royal revenues but not state funds on these projects borrowed extensively and defied all attempts by his ministers to restrain him This was used against him to declare him insane an accusation which has since been refuted and this led to his mysterious death Was it suicide an accident or a murder Ludwig is well regarded and even revered by many Bavarians today His legacy of architecture and art includes many of Bavaria s important tourist attractions Illustrated The Dream King Wilfrid Blunt,Michael Petzet,1970 **The Dream King; Ludwig II of Bavaria** Wilfrid Blunt,1970
