The Rise of the New Latin American Narrative, 1950-1975 Elizabeth Garrels, 1979

El Eternauta, Daytripper, and Beyond David William Foster, 2016-10-25

El Eternauta, Daytripper, and Beyond examines the graphic narrative tradition in the two South American countries that have produced the medium's most significant and copious output. Argentine graphic narrative emerged in the 1980s, awakened by Hector Oesterheld's groundbreaking 1950s serial *El Eternauta*. After Oesterheld was disappeared under the military dictatorship, *El Eternauta* became one of the most important cultural texts of turbulent mid-twentieth century Argentina. Today its story, set in motion by an extraterrestrial invasion of Buenos Aires, is read as a parable foretelling the invasion of Argentine society by a murderous tyranny. Because of *El Eternauta*, graphic narrative became a major platform for the country's cultural redemocratization. In contrast, Brazil, which returned to democracy in 1985 after decades of dictatorship, produced considerably less analysis of the period of repression in its graphic narratives. In Brazil, serious graphic narratives such as Fábio Moon and Gabriel Bá's *Daytripper*, which explores issues of modernity, globalization, and cross-cultural identity, developed only in recent decades, reflecting Brazilian society's current and ongoing challenges. Besides discussing *El Eternauta* and *Daytripper*, David William Foster utilizes case studies of influential works such as Alberto Breccia and Juan Sasturain's *Perramus* series, Angélica Freitas and Odysseus Bernardi's *Guadalupe*, and others to compare the role of graphic narratives in the cultures of both countries, highlighting the importance of Argentina and Brazil as anchors of the production of world-class graphic narrative.

The Emergence of the Latin American Novel Gordon Brotherston, 1977-09-29

This survey concentrates on the modern novel of Spanish speaking America. Dr. Brotherston starts with a long and suggestive introduction on the general topic, settings, and people, showing the growth of a sense of Latin American identity in the fiction produced in the continent as a whole. There follow detailed studies of individual modern novels, taken as representative of their time, their author, their country, and the continent. A conclusion surveys and sums up these themes. The analytical studies of important and representative novels related to each other in theme and preoccupation, the substantial quotations in English, the notes, and the useful bibliography make this a book which gives students and other readers a well-considered introduction to the Spanish American fiction of this century.
