Nunes Jazz Flute:

Jazz Eddie S. Meadows, 2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade

Jazz Research and Performance Materials Eddie S. Meadows, 1995 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Diane Kuhn, 2001

Portuguese Piano Music Nancy Lee Harper, 2013-01-10 As the first book of its kind Nancy Lee Harper s

Portuguese Piano Music An Introduction and Annotated Bibliography fills the gap in the historical record of Portuguese piano

music from its start in the 18th century to the present While although Spanish piano music is well documented owing to the

reputation of such composers as Isaac Alb niz Enrique Granados and Manuel de Falla our knowledge of compositions in the

tradition of Portuguese piano music has not fared as well barring the work of Carlos Seixas 1704 1742 This obscurity

however reflects poorly on the history of early piano music in light of the many compositions written for fortepiano on behalf

of the Portuguese court during the first half of the 18th century Indeed it was in the royal halls of King John V during his

reign from 1706 to 1750 where the early fortepiano was frequently heard In Portuguese Piano Music Harper explores this

rich musical tradition offering a brief introduction to the pianistic history of Portugal and overviews of Portugal s

contributions to solo piano music piano in instrumental chamber music piano concerti piano for multiple pianists including

with works with electronics and didactic piano While paying close attention to female composers Harper adds an annotated

and graded bibliography that presents readers with a comprehensive inventory of compositions Appendixes include a selected discography list of publishers and other types of critical source information To further illustrate its contents Portuguese Piano Music contains a CD on which Harper performs representative repertoire some of which are world premieres This work is aimed at pianists teachers pupils musicologists and music lovers seeking to discover the remarkable world of Portuguese piano music **Bibliographic Guide to Music** New York Public Library.
