Having It All Sarah Jane Butfield,2022-09-14 Having it all but at what cost for a career nurse and devoted mother When one of my early mentors suggested that my nursing qualification as a Registered General Nurse would be my ticket to Having It All I could not envisage what that would mean for me As a nurse and a woman who intended to have a family I did not think too far ahead and any thoughts on how it would manifest itself in relation to my nursing career were limited to family friendly options However this phrase became embedded in my subconscious and would end up influencing my goals dreams and aspirations both personally and professionally For me having it all was not based on greed or a materialistic wish list instead it described the tight rope walk that was my life a finely balanced juggling act between my career and my family The truth was that I had survived a period in my life that physically and emotionally pushed me to the edge and I was literally saved by the deep seated love for my children Now as I looked forward there was a ray of light beckoning and telling me it was time to start over Might this be my happy ever after at last *Nursing Mirror and Midwives Journal* ,1969 *The British National Bibliography* Arthur James Wells,2003 *Cornwall (Slow Travel)* Kirsty Fergusson,2015-03-13 Many of Cornwall s wildest or most curious corners as well as the exciting new range of places to eat sleep or drink are often overlooked in the headlong race to get to the beach or the well known tourist spots Taking the Slow approach using local knowledge and the author s endless curiosity this guide offers both visitors and seasoned residents alike the chance to discover what lies behind the immediate and obvious attractions of Britain s favourite holiday destination **Clearharbour** Suzanne Morris,2007-09-07 As Emelye opened the lap drawer of the desk the strong odor of ink and cedar wood long sealed up flooded her nostrils She was surprised to find Elizabeth had left behind the note paper engraved with her name and the silver blotter and letter opener that appeared in a package with her name on it under the Christmas tree one year Surely she didn t know even before she left that she was about to change her identity An image of Elizabeth walking down a train platform all alone carrying her small suitcase gripped Emelye suddenly Her eyes filled Oh Elizabeth why d you have to go away and become somebody else Clearharbour the final volume of the Clearharbour Trilogy carries the story of the Selby family into the third generation Having survived two world wars Geneva and Tony Selby and their children must come to terms with old secrets and unresolved issues that threaten to destroy the family Packed with compelling complicated characters and captivating imagery Clearharbour is a stunning finale to this beautiful and haunting trilogy *The Life of (A Single Parent)* Brian! Brian Rowlands,2010-10 What happens when after ten years of what you thought was a happy and

normal family life your wife suddenly turns your world upside down and leaves leaving you heartbroken and in shock and with two expectant young children to care for and raise First you hit the bottle get seriously drunk and hit a downward spiral in free fall heading for certain disaster Then once you ve hit rock bottom you take stock of the situation pick yourself up dust yourself down and begin the long and difficult climb out of the abyss putting life together again piece by arduous piece This is what happened to Brian Rowlands and this is his true story Beginning with the end of his marriage this book charts his and his children s journey along the long and very rocky road they encountered as they struggled to re build their shattered lives and put some kind of stability and substance back in place Filled with many highs and lows and told in an honest and open manner this book charts the last ten years in this single parent family s remarkable life From heartbreak to happiness through disastrous relationships difficult medical problems and eleven different homes in five years their story will entertain enthrall and shock Drawing the reader in once started it is a book that the reader will want to go on reading page after page leaving you begging for more and wanting to know just what happens next *Southern Florist and Nurseryman* ,1964
