Nurturing Pentecostal Families: A COvenant to Nurture our Family John Kie Vining, 1996 In the same fashion as *Growing Pentecostal Kids and Developing Pentecostal Teens* this powerful resource is essential for local church workers and Pentecostal families who want to make a difference in their homes

The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

Gospel, Culture, and Transformation Chris Sugden, 2011-05-13 *Gospel Culture and Transformation* explores the practice of mission especially in relation to transforming cultures and communities Mission as Transformation has become a mainstream definition of mission in orthodox Christian circles especially in the Two Thirds World and among those involved in ministry with the poor Vinay Samuel has played a leading role in developing this understanding of mission which he defines as follows Transformation is to enable God s vision of society to be actualized in all relationships social economic and spiritual so that God s will may be reflected in human society and his love be experienced by all communities especially the poor Christian faith is faith in the incarnation of God in a particular place in history so all theology should have to do with the particular This work studies mission in the work of the leading Indian Mission Theologian Canon Dr Vinay Samuel between 1984 1996 It is taken from the author s larger work *Seeking the Asian Face of Jesus* Wipf and Stock 2011 Lamin Sanneh D Willis Professor of Mission and World Christianity Yale University wrote of that book Dr Sugden brings a sharp theological focus to bear on issues of context identity and cultural particularity The literature on contextual theology and situational ethics now has a standard to rise to A companion volume *Mission as Transformation* is edited by Viney Samuel and Chris Sugden Wipf and Stock 2009
