Myleene Klass Brilliant Dr Martha has guidance for almost every sticky moment in Paper Drawing on her years of experience as a clinical psychologist Dr Martha understands the questions all parents face: How can I make my child listen to me? How can I stop a tantrum in its tracks? What can I do when my child feels sad? Why is my child a picky eater and what can I do about it? What should I do when I lose my temper? With humour, boundless energy, wit and warmth Dr Martha tackles it all from how to talk about honesty and lies, death, co-parenting, consent, gender, attachment, boundaries and tantrums, as well as the small but critical daily challenges parents face. She explains why, beneath each dilemma, it's the behaviours and scripts we learned as children that shape the parents we become.
