Pearl S Buck A Cultural Bridge Across The Pacific:

Pearl S. Buck Kang Liao,1997-01-30 Pearl S Buck s portrayal of Chinese peasants was the first literary representation in China as well as in America of the majority of the Chinese population Her work changed the image of the Chinese people in the American mind ultimately facilitating the 1943 repeal of the 61 year old Chinese Exclusion Act and arousing Americans support of the Chinese resistance against the Japanese aggression in World War II From a multicultural point of view Chinese scholar Kang Liao analyzes Buck s phenomenal success and the ensuing neglect of her works by American critics Liao s insights into Buck s function as one of the few writers from an age of Eurocentrism who shed light on a new age of multiculturalism will be of interest to both students and scholars interested in race class and gender issues **Pearl S.**

Buck's Novels of China and America Rob Hardy,2021-08-30 This book the first single authored book length study of Buck s fiction for over twenty years shows how Buck s thought developed through the medium of her fiction from her early turbulent years in China to her last lonely days in the United States with chapters examining her loss of faith in Christianity her reflections on Chinese life during and after the breakdown of Old China her voluminous reading her confrontation with the horrors of American racism and sexism after her return to the United States and her final metaphorical search for home as she approached death The book argues that Buck the first American woman to win both the Pulitzer and Nobel prizes for literature was a heroic forerunner of those who while occupying a place in the world never feel fully at home there in Buck s case because her Chinese identity throughout her life struggled with her American For this reason Pearl S Buck s fiction deserves to be considered alongside that of writers such as Anchee Min Maxine Hong Kingston and Amy Tan The book s central claim is that Buck is a major novelist capable of speaking to the distress of our times richly deserving the honor she has received in China and deserving greater recognition in the United States A THEMATIC STUDY OF PEARL S. BUCK'S

ALL UNDER HEAVEN AND THE DEVIL NEVER SLEEPS Dilnya Abdulla Muhammad,2013-03-11 Pearl S Buck is a humanitarian writer and her writings are of moral issues that deal with many aspects of the sordid atmosphere of the modern world and the inner torments of mankind Her novels are about problems exist in the real society where she lived and wrote her novels This book is a thematic study of two of Buck s novels All Under Heaven and The Devil Never Sleeps In All Under Heaven Pearl Buck depicts the bad consequences of the Cold War on people s life and criticizes the racial discrimination caused by the Cold War and tries to reduce that racial superiority because she believed that all under heaven are one Also she enlightens us about dilemmas faced by masses of American women She criticizes women s passive role and doing nothing in order to improve their situation in a society dominated by men In The Devil Never Sleeps Buck presents people s sufferings and wretched life because of communism She shows that most of the revolutionary parties promises are not true They promise their followers a perfect life demolishing of classes and people will be given whatever they want or wish But only then people will discover that this is not really what they were looking for or wished **Middlebrow Mission: Pearl S.**

Buck's American China Vanessa Künnemann, 2015-11-15 Nobel Prize winner Pearl S Buck's engagement with neo missionary cultures in the United States and China was unique Against the backdrop of her missionary upbringing Buck developed a fictional project which both revised and reaffirmed American foreign missionary activity in the Pacific Rim during the 20th century Vanessa Künnemann accurately traces this project from America's number one expert on China as Buck came to be known from a variety of disciplinary angles placing her work squarely in Middlebrow Studies and New American Studies *A Study Guide for Pearl S. Buck's The Good Earth* Gale, Cengage Learning, 2015-09-24 A Study Guide for Pearl S Buck's *The Good Earth* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **The Western Reinvention of Chinese Literature, 1910-2010**, 2022-07-04 During much of China's tumultuous 20th century May 4th and Maoist iconoclasts regarded their classical literary heritage as a burden to be dislodged in the quest for modernization This volume demonstrates how the traditions that had deeply impressed earlier generations of Western writers like Goethe and Voltaire did not lose their lustre to the contrary a fascination with these past riches sprouted with renewed vigour among Euro American poets novelists and other cultural figures after the fall of imperial China in 1911 From Petrograd to Paris and from S o Paolo to San Francisco China's premodern poetry theatre essays and fiction inspired numerous prominent writers and intellectuals The contributors survey the fruits of this engagement in multiple Western languages and nations [American Women Writers, 1900-1945](#) Laurie Champion, 2000-09-30 Women writers have been traditionally excluded from literary canons and not until recently have scholars begun to rediscover or discover for the first time neglected women writers and their works This reference includes alphabetically arranged entries on 58 American women authors who wrote between 1900 and 1945 Each entry is written by an expert contributor and discusses a particular author's biography her major works and themes and the critical response to her writings The entries close with extensive primary and secondary bibliographies and the volume concludes with a list of works for further reading The period surveyed by this reference is rich and diverse Modernism and the Harlem Renaissance two major artistic movements occurred between 1900 and 1945 and the entries included here demonstrate the significant contributions women made to these movements The volume as a whole strives to reflect the diversity of American culture and includes entries for African American Native American Mexican American and Chinese American women It includes well known writers such as Willa Cather and Eudora Welty along with more neglected ones such as Anita Scott Coleman and Sui Sin Far *The Good Earth (SparkNotes Literature Guide)* SparkNotes, 2014-08-12 *The Good Earth* SparkNotes Literature Guide by Pearl S Buck Making the reading experience fun Created by Harvard students for students everywhere SparkNotes is a new breed of study guide smarter better faster Geared to what today's students need to know SparkNotes provides chapter by chapter analysis explanations of key themes motifs and symbols a

review quiz and essay topics Lively and accessible these guides are perfect for late night studying and writing papers *The United States and China* Dong Wang, 2021-07-28 Now fully revised and updated *The United States and China* offers a comprehensive synthesis of US Chinese relations from initial contact to the present Balancing the modern 1784 1949 and contemporary 1949 present periods Dong Wang retraces centuries of interaction between two of the world's great powers from the perspective of both sides She examines state to state diplomacy as well as economic social military religious and cultural interplay within varying national and international contexts As China itself continues to grow in global importance so too does the US Chinese relationship and this book provides an essential grounding for understanding its past present and possible futures

Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile

Fateful Ties Gordon H. Chang, 2015-04-13 Americans look to China with fascination and fear unsure whether it is friend or foe but certain it will play a crucial role in their future This is nothing new Gordon Chang says *Fateful Ties* draws on literature art biography popular culture and politics to trace America's long and varied preoccupation with China

Chinatowns in a Transnational World Vanessa Künemann, Ruth Mayer, 2012-03-22 This book explores the history the reality and the complex fantasy of American and European Chinatowns and traces the patterns of transnational travel and traffic between China South East Asia Europe and the United States which informed the development of these urban sites Despite obvious structural or architectural similarities and overlaps Chinatowns differ markedly depending on their location European versions of Chinatowns can certainly not be considered mere replications of the American model Paying close attention to regional specificities and overarching similarities Chinatowns thus discloses the important European backdrop to a phenomenon commonly associated with North America It starts from the assumption that the historical and modern Chinatown needs to be seen as complicatedly involved in a web of cultural memory public and private narratives ideologies and political imperatives Most of the contributors to this volume have multidisciplinary and multilingual backgrounds and are

familiar with several different instances of the Chinese diasporic experience With its triangular approach to the developments between China and the urban Chinese diasporas of North America and Europe Chinatowns reveals connections and interlinkages which have not been addressed before The Rise of Corporate Publishing and Its Effects on Authorship in Early Twentieth Century America Kim Becnel,2012-12-06 This study examines the way that the modernization and incorporation of the American publishing industry in the early twentieth century both helped to foment the emerging late industrial cultural hierarchy and capitalized on that same hierarchy to increase readership and profits More importantly however it attempts to trace the ways in which recently introduced marketing techniques reconceived ideas of audience and new paradigms in author publisher relations affected American writers of the 1930s and the literature they produced Using case studies of authors chosen from various points on the spectrum of so called high middle and lowbrow literature the author demonstrates that contrary to popular critical opinion this new publishing landscape dominated by big business practices and strict categorizations of audiences writers and works did not ruin or corrupt literature but in fact enriched our literary heritage by providing authors with inspiration and opportunity that they may not otherwise have had **American Women during World War II** Doris Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library **Now a Major Motion Picture** Christine Geraghty,2008 Going beyond the process of adaptation Geraghty is more interested in the films themselves and how they draw on our sense of recall While a film reflects its literary source it also invites comparisons to our memories and associations with other versions of the original For example a viewer may watch the 2005 big screen production of Pride and Prejudice and remember Austen s novel as well as the BBC s 1995 television movie Adaptations also rely on the conventions of genre editing acting and sound to engage our recall elements that many movie critics tend to forget when focusing solely on faithfulness to the written word The 20th Century A-GI Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s

place in history All entries conclude with a fully annotated bibliography *American Writers* Elizabeth H. Oakes, 2004

American Writers focuses on the rich diversity of American novelists *Trans-Pacific Interactions* V. Künnemann, R. Mayer, 2009-10-26 This book explores particular facets of the history and representation of the Pacific Rim region focusing on the interactions between the United States and China at the beginning of the twentieth century It critically examines contemporary discourses on such seemingly recent concepts as transnationalism and cultural citizenship showing that they can actually be traced much further back and that they are closely tied to the debates around nationalism global capitalism and religion of the time This series of reflections on political exchanges and conflicts offers a special focus on the cultural literary popular and religious implications of these interactions **Encyclopedia of the American Novel** Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this *Her Quest for Self: a Journey* Gayreen Lyngdoh, 2015-10-14 To journey into the pages of this book is to journey into the colourful world of Chinese and Chinese American culture into slivers of history into gender politics into myth and perhaps even into ourselves In the private struggles and triumphs of Pearl S Bucks and Amy Tans women characters in their quest to re frame and re define themselves and their lives echo the universal experience of women in time and space the stories of love and loss the yearnings and heartaches the joys and sorrows the laughter and the tears and above all their quiet strength and resilience in the face of great odds and injustices that more often than not have marked the female experience through generations The book will no doubt strike a chord in the hearts of the readers and offer a fascinating insight into the heart of a womans world and what it is to be a woman Pearl S Buck and Amy Tan the two authors revisited in this book may both be described as writers who have in their own ways written about the lives of women Through their work they challenged patriarchal assumptions about women by attempting to fashion a distinctive feminine voice that allows for the articulation of womens experiences in their own voices and or through the female perspective This book takes a re look at the women characters in select novels of these two writers examining and analysing their experiences and subjectivities as they journey in quest of the self Special attention is drawn to the role of stories storytelling as a potent means of female expression and of bridging multifarious human divides The urgency of reframing and reinterpreting popular myths as a way of critiquing and changing mindsets where these need to be changed is also explored in depth The book is therefore a critical and insightful study of the works of two women that although written in different periods yet intersect in these pages The novels studied are those relating specifically to China and the Chinese Chinese American experience the main subject being the Chinese woman both in her own local space as well as outside of it Storytelling enables the transmission and perpetuation of values culture and history which as depicted here are crucial to self knowledge and to an understanding of ones place and identity in the universe The self that is represented in these novels therefore is not a self in isolation but a self that is a part and parcel of the human tapestry where race gender culture and history meet and intersect

When people should go to the ebook stores, search initiation by shop, shelf by shelf, it is in point of fact problematic. This is why we present the book compilations in this website. It will definitely ease you to see guide **Pearl S Buck A Cultural Bridge Across The Pacific** as you such as.
