

Russian Militarys Role In Politics

Sz&ászdi, Lajos F.

Russian Military's Role In Politics:

The Russian Military's Role in Politics James H. Brusstar, 1995 The Russian Military's Role in Politics James H. Brusstar, Ellen Jones, 2004-01-01 CONTENTS The Military's Response to the USSR's Center Periphery Crisis The Military and the Union Treaty The Military and the August 1991 Coup The Military and the Demise of the USSR The Military and Russia's Center Periphery Problem The Military and Russia's Legislative Executive Struggle The Military and the Fall 1993 Crisis Aftermath of the October Crisis How Can the Military's Role Be Explained The Military's Role in Russia's Future Notes

Politics and the Russian Army Brian D. Taylor, 2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army's behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country's political leadership whether tsar general secretary or president is fundamentally illegitimate **Democratic Breakdown and the Decline of the Russian Military**

Zoltan Barany, 2023-06-06 A rare behind the scenes look at Russian military politics Why have Russian generals acquired an important political position since the Soviet Union's collapse while at the same time the effectiveness of their forces has deteriorated Why have there been no radical defense reforms in Russia since the end of the cold war even though they were high on the agenda of the country's new president in 2000 Democratic Breakdown and the Decline of the Russian Military explains these puzzles as it paints a comprehensive portrait of Russian military politics Zoltan Barany identifies three formative moments that gave rise to the Russian dilemma The first was Gorbachev's decision to invite military participation in Soviet politics The second was when Yeltsin acquiesced to a new political system that gave generals a legitimate political presence The third was when Putin not only failed to press for needed military reforms but elevated numerous high ranking officers to prominent positions in the federal administration Included here are Barany's insightful analysis of crisis management following the sinking of the Kursk submarine a systematic comparison of the Soviet Russian armed forces in 1985 and the present and compelling accounts of the army's political role the elusive defense reform and the relationship between politicians and generals Barany offers a rare look at the world of contemporary military politics in an increasingly authoritarian state Destined to become a classic in post Soviet studies this book reminds us of the importance of the separation of powers as a means to safeguard democracy Russian Military Politics and Russia's 2010 Defense Doctrine

Stephen Blank, Army War College (U.S.). Strategic Studies Institute, 2011 This work presents three papers to illuminate the

political struggles among the government and the military in Russia to forge a new defense doctrine and ultimately the 2010 doctrine itself. No analysis of Russian defense or security policy is complete without the understanding and analysis provided here.

The International Politics of Eurasia: v. 5: State Building and Military Power in Russia and the New States of Eurasia Bruce Parrott, 2016-09-16 First Published in 1996 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states. Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states. The contributors were chosen not only for their recognized expertise but also to ensure a stimulating diversity of perspectives and a dynamic mix of approaches. This book is the fifth in a projected series of ten volumes produced by the Russian Littoral Project.

The Russian Military Intervention in Syria Ohannes Geukjian, 2022-02-15 Since the demise of the Soviet Union in 1991, Russia has tried to restore its lost status, prestige and influence in the global political arena. At the same time, internal political challenges and international events such as the Arab Spring and the colour revolutions in former Soviet republics have threatened the security and the national interests of the country. Taking these challenges and opportunities into account, *The Russian Military Intervention in Syria* examines Russia's assertive foreign policy and its attempts to protect its geostrategic interests in the Middle East and former Soviet territory. Ohannes Geukjian analyzes the history of Russian military presence in the Middle East and the country's growing frustration with American and Western policy, revealing the objectives behind Russia's use of military power, namely to maintain its regional influence in Eurasia and to enhance its status in the world. Geukjian provides a detailed examination of the Geneva and Astana peace processes, the geopolitical objectives of Turkey, Iran, Israel and Saudi Arabia, and how disagreements between Russia and the United States over issues of regime change, global security and armaments have negative implications for international conflict management. *The Russian Military Intervention in Syria* is an authoritative overview based on a wide range of new and updated sources, providing a fresh interpretation and analysis of Russia's foreign policy goals and Russian diplomacy in handling the Syrian conflict.

Professional Journal of the United States Army, 1996

The Russian Military Steven E. Miller, Dmitri Trenin, 2004-08-27 Russian military capacity remains a major consideration for global security even in the post Soviet era. This book assesses today's Russian military and analyzes its possible future direction. The contributors, experts on the subject from both Russia and the West, consider not only how Russia has built its military capacity but also the policies and doctrines that have shaped Russia's defense posture. They discuss such topics as the downsizing of the Russian military, Russia's use of military power in regional conflicts and the management of Russia's nuclear weapons. For more than a decade, Russian leaders have struggled to formulate security and defense policies that protect Russia's borders and project Russia's influence. The contributors to *The Russian Military* find that the choices Russian leaders have made have been significantly influenced by the military reforms Russia has attempted to implement since the collapse of the Soviet Union. The protracted

and intense debate over military reform has been and will continue to be decisive in shaping Russian military capacity

Army and State in Postcommunist Europe David Betz, John Löwenhardt, 2001 This study explores the complex military issues that are raised by the transition to post communist rule with particular reference to Russia Ukraine Bulgaria and the new members of NATO All faced similar problems yet their responses it emerges were surprisingly diverse *Russian Civil-Military Relations* Dale R. Herspring, 1996-12-22 From the author of Rumsfeld's Wars an important addition to the bookshelf of any analyst of post Soviet security affairs Slavic Review Dale Herspring analyzes three key periods of change in civil military relations in the Soviet Union and postcommunist Russia the Bolshevik construction of the communist Red Army in the 1920s the era of perestroika when Mikhail Gorbachev attempted to implement a more benign military doctrine and force posture and the Yeltsin era when a new civilian and military leadership set out to restructure civil military relations The book concludes with a timely discussion of the relationship of the military to the current political struggle in Russia The history is both fascinating and timely European Security When military reform returns to its deservedly prominent place in the Russian political agenda Herspring's book will offer invaluable guidance Mark von Hagen American military historian

Military Review, 1996 *The Russian Army in a Time of Troubles* Pavel Baev, 1996-05-28 This study of the Russian army and how it has fared in the uncertain transitional period since independence in December 1991 provides the basis for understanding its present and potential future role in the new political developments within Russia Following an historical overview of Russia's security agenda and an examination of the Russian Soviet army's tradition of involvement in politics the book then examines Russia's current security interests and the role of the army in protecting them Geopolitical perspectives are linked to the security issues of the Near Abroad and to the nuclear dimension of security Pavel K Baev then considers the question of the feasibility of political control over the Russian army The **The Russian Armed Forces at the Dawn of the Millennium**, 2000 This anthology is an outgrowth of a conference titled The Russian Armed Forces at the Dawn of the Millennium held at the Collins Center of the Army War College's Center for Strategic Leadership from 7 through 9 February 2000 The genesis for the conference was the realization by several members of the staff of the Collins Center and Army War College faculty that the U S led NATO operation in Kosovo resulted in a significant shift of Russian views on the United States and NATO The conference also complemented our general objective of examining the changing environment in which the United States including its armed forces finds itself The conference brought together over 50 individuals from academia and the policy and intelligence communities to examine the current state of the Russian military Focusing primarily on the socio political dimension of the military but not ignoring the military technical dimension the presentations delivered during the conference looked at Russia's domestic environment the state of the military perceived threats and Russia's capacity to generate responses to those threats DTIC web site **Monthly Catalogue, United States Public Documents**, 1995

The Military History of the Soviet Union F. Kagan, R. Higham, 2016-04-30 The Military History of the Soviet Union and

The Military History of Tsarist Russia treat Russian military history from the rise of the Muscovite state to the present even peeking briefly into the future The two volumes will cover Russia s land forces extensively but will also cover the development of the Russian Navy and the creation and development of the Russian Air Force parts of the Russian military machine which are frequently neglected in general writings The historical analysis will address the development and function of the Russian military whether in peace or in war as well as the impact of war and changes in the military upon Russian society and politics

Terrorism Versus Democracy Paul Wilkinson,2006-09-27 No one understands terrorism better than Paul Wilkinson if policy makers read this book they will understand the problems better If terrorists read it they will understand themselves a lot better Michael Clarke King s College London University of London UK This acclaimed study examines both the new terror networks and those that have been around for decades This new edition brings it up to date with the dramatic opening of the twenty first century with new chapters on the 9 11 attacks the growth of international terrorism the Al Qaeda network and the War on Terror This text provides us with some much needed criteria for distinguishing between terrorists and freedom fighters and an explanation of the uses of terrorism as a political social religious and criminal weapon Wilkinson also links the use of terrorism to a wider repertoire of struggle He proposes a variety of possible counter measures and valuable principles carefully distilled from the recent past to help design a response that is compatible with democratic principles the rule of law and respect for human rights This book is essential reading for undergraduate and postgraduate students of terrorism studies political science and international relations as well as for policy makers and journalists

Russian civil-military relations and the origins of the second Chechen war Sz&ászdi, Lajos F.,2008-08-29 This book has relevance for those interested in understanding Russia s course in international relations under the leadership of Vladimir Putin This book will inform the reader and is especially relevant in light of the events of 2008 in the Caucasus and the war in Georgia in particular The author explains the ideology of Neo Eurasianism which in turn inspires the policy thinking of the Kremlin Also studied is Putin s origins in the KGB from the previous posts of Secretary of the Security Council and Director of the FSB and his rise to power in the crucial year of 1999 when he became Russian Prime Minister The author highlights the continuing trend of appointing high ranking officers of the Russian intelligence community to senior positions in the government studying this in the context of Russian civil military intelligence relations The author reached the conclusion back in 2003 that the members of Russian intelligence hold the reins of power above the civilian and military elements of the Russian government The author returns to the Kosovo Crisis of 1999 discussing also the motives that led the Kremlin and Putin to invaded Chechnya for a second time in a decade Parallels can be drawn to the 2008 Russian invasion of Georgia and the roots of the Neo Eurasianist ideology that is behind the two invasions are examined This book will help the reader understand Russia s current and future distribution of power in the Caucasus the Balkans and the world at large Moscow s search for a multipolar world and its opposition to U S hegemony

Routledge Handbook of Comparative Political Institutions Jennifer Gandhi, Rubén Ruiz-Rufino, 2015-04-10 The Routledge Handbook of Comparative Political Institutions HCPI is designed to serve as a comprehensive reference guide to our accumulated knowledge and the cutting edge of scholarship about political institutions in the comparative context. It differs from existing handbooks in that it focuses squarely on institutions but also discusses how they intersect with the study of mass behaviour and explain important outcomes drawing on the perspective of comparative politics. The Handbook is organized into three sections. The first section consisting of six chapters is organized around broad theoretical and empirical challenges affecting the study of institutions. It highlights the major issues that emerge among scholars defining, measuring and analyzing institutions. The second section includes fifteen chapters each of which handles a different substantive institution of importance in comparative politics. This section covers traditional topics such as electoral rules and federalism as well as less conventional but equally important areas including authoritarian institutions, labor market institutions and the military. Each chapter not only provides a summary of our current state of knowledge on the topic but also advances claims that emphasise the research frontier on the topic and that should encourage greater investigation. The final section encompassing seven chapters examines the relationship between institutions and a variety of important outcomes such as political violence, economic performance and voting behavior. The idea is to consider what features of the political, sociological and economic world we understand better because of the scholarly attention to institutions. Featuring contributions from leading researchers in the field from the US, UK, Europe and elsewhere, this Handbook will be of great interest to all students and scholars of political institutions, political behaviour and comparative politics. Jennifer Gandhi is Associate Professor, Department of Political Science, Emory University. Rubén Ruiz-Rufino is Lecturer in International Politics, Department of Political Economy, King's College London.

Peacekeeping And The Role Of Russia In Eurasia Lena Jonson, Clive Archer, 2019-06-04 As the number of peacekeeping efforts conducted internationally under the aegis of military forces increases, there is more pressure to resolve the dilemma inherent in all peacekeeping activities: how to combine efficiency with legitimacy. This dilemma is particularly acute in the many conflicts that have mushroomed in the Eurasian region following the disintegration of the Soviet state. Given the history of Soviet Russian repression of ethnic national entities, can Russia, the USSR's primary heir, be relied on to resolve rather than inflame conflicts in the other post-Soviet states and regions? In order to answer this question, the contributors to this timely volume evaluate the factors that guarantee Russia's intervention in its near abroad. They debate whether Russian peacekeeping is legitimate according to international norms or whether it may be a harbinger of neoimperialism. Finally, they explore the origins and effectiveness of Russia's intervention in four cases of regional conflict and discuss the complexities of broader multilateral involvement.

Right here, we have countless books **Russian Militarys Role In Politics** and collections to check out. We additionally allow variant types and with type of the books to browse. The tolerable book, fiction, history, novel, scientific research, as with ease as various new sorts of books are readily available here.

As this Russian Militarys Role In Politics, it ends occurring subconscious one of the favored books Russian Militarys Role In Politics collections that we have. This is why you remain in the best website to look the amazing ebook to have.

Russian Militarys Role In Politics Introduction

In todays digital age, the availability of Russian Militarys Role In Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Militarys Role In Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Militarys Role In Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Militarys Role In Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Militarys Role In Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Militarys Role In Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Militarys Role In Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Militarys Role In Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Militarys Role In Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Militarys Role In Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Militarys Role In Politics is one of the best book in our library for free trial. We provide copy of Russian Militarys Role In Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Militarys Role In Politics. Where to download Russian Militarys Role In Politics online for free? Are you looking for Russian Militarys Role In Politics PDF? This is definitely going to save you time and cash in something you should think about.
