Russian Bolshevism And British Labor 1917 1921

Reiner Tosstorff

Russian Bolshevism And British Labor 1917 1921:

Russian Bolshevism and British Labor, 1917-1921 Morton H. Cowden, 1984 This is a study of Soviet and Comintern policies toward the British Labor Movement during the three and a half years immediately following the Bolshevik Revolution in Russia

The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24 Evgeny Sergeev, 2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s

Bolshevism and the British Left: Labour legends and Russian gold Kevin Morgan, 2006 Morgan goes far beyond the question of Russian gold to dig beneath a host of myths and misconceptions He shows that Labour's parliamentary advance was itself inconceivable solely on the basis of the workers and trade union pennies with which it is usually identified In addition to the virtual market that developed in Labour's parliamentary nominations there was almost always a need to cultivate private benefactors not excluding Russian ones Thus as Morgan shows George Lansbury drew on a wide variety of financial sponsors to create the space both for his own political career and for Labour's daily newspaper the Daily Herald As for the communist party itself Russian subsidies often gave rise to fierce internal conflict and controversy it was certainly regarded as mixed blessing by many Kevin Morgan has uncovered some fascinating new material on this period of left history and through his insightful analysis a much more complex picture than hitherto emerges both of Labour communist relations and those between the CPGB and the Comintern

The Red International of Labour Unions (RILU) 1920 - 1937 Reiner Tosstorff, 2016-09-07 The Red International of Labour Unions RILU Russian abbreviation Profintern was a central instrument for the spreading of international communism during the inter war period This comprehensive and scholarly history of the organisation based on extensive research in the former communist archives in Moscow and East Berlin sheds significant light on the international trade union movement of the period Tosstorff shows how the RILU began as a revolutionary alliance of syndicalists and communists in defiance of the social democratic International Federation of Trade Unions His text presents a full account of the organisation's main stages the decline of the revolutionary wave after World War One after which many syndicalists left and others were integrated into the communist parties the continuation of the RILU as an international communist apparatus and its dissolution in 1936-7 as part of

communism's popular front policy First published in German as Profintern Die Rote Gewerkschaftsinternationale 1920 1937 by Ferdinand Schlingh Paderborn in 2004 *British and American Anti-communism Before the Cold War* Markku Ruotsila, 2023-05-09 This work examines in a comparative historical way the socialist liberal and conservative strands of Anglo American anticommunist thought before the Cold War In so doing this book provides us with an intellectual pre history of Cold War attitudes and policy positions **Social-Imperialism in Britain** Neil Redfern, 2018-09-24 In *Social Imperialism in Britain* Neil Redfern examines the relationship between British labour and British capital in the two world wars of the twentieth century He argues that the Second World War the so called People's War no less than the First World War was an imperialist war He further argues that in both wars labour and capital entered into a social imperialist contract in which labour would be rewarded for its support for war with such social and political reforms as votes for women and a health service culminating in the welfare state Concentrating on Lancashire he examines the complex interaction between military successes and reverses elite war aims labour unrest and popular demands for reform **Reinterpreting Revolutionary Russia** I. Thatcher, 2006-08-04 This is a stimulating and highly original collection of essays from a team of internationally renowned experts The contributors reinterpret key issues and debates including political social cultural and international aspects of the Russian revolution stretching from the late imperial period into the early Soviet state *Behind the Front Lines of the Civil War* Vladimir N. Brovkin, 2015-03-08 Countering the powerful myth that the civil war in Russia was largely between the Whites and the Reds Vladimir Brovkin views the struggle as a multifaceted social and political process Brovkin focuses not so much on armies and governments as on the interaction of state institutions political parties and social movements on both Red and White territories In the process he exposes the weaknesses of the various warring factions in a Russia plagued by strikes mutinies desertion and rebellions The Whites benefited from popular resistance to the Reds and the Reds from resistance to the Whites In Brovkin's view neither regime enjoyed popular support Pacification campaigns mass shooting deportations artillery shelling of villages and terror were the essence of the conflict and when the Whites were defeated the war against the Greens the peasant rebels went on Drawing on a remarkable array of previously untapped sources Brovkin convicts the early Bolsheviks of crimes similar to those later committed by Stalin What emerges behind the front lines is a picture of how diverse forces Cossacks Ukrainians Greens Mensheviks and SRs as well as Whites and Bolsheviks created the tragic victory of a party that had no majority support This book has important contemporary implications as the world again asks an old question Can Russian statehood prevail over local regional and national identities Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly

heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Decline of Empires in South Asia** Heather A. Campbell, 2022-04-21 The post First World War period was pivotal in global history international relations and geopolitics And no more than in South Asia where for decades the Great Game in geopolitical rivalry of the two greatest modern empires Britain and Russia had dominated international relations But with the advent of Communism in Russia and growing nationalism and pan Islamism in Afghanistan Persia and India Britain's imperial standing was under threat Faced with these problems some in the British government such as Lord Curzon the dominant imperialist in the British Foreign Office fell back on what they knew old patterns of rivalry and high handedness that characterised the Great Game Not all however agreed with Curzon and with war in Afghanistan civil unrest in India and rising tensions in Persia those who opposed this Great Game mindset advocated a new way forward for British foreign relations *The Rise of Bolshevism and its Impact on the Interwar International Order* Valentine Lomellini, 2020-02-07 This book examines the international impact of Bolshevism in the period between the two World Wars It explores both the significance of the Bolshevik threat in European countries and colonies as well as its spread through the circulation of ideas and people during this period Focusing on the interplay between international relations and domestic politics the volume analyses the rise of Bolshevism on the international stage incorporating insights from India and China The chapters show how the interwar international order was challenged by the ideology which infiltrated a range of political societies While it was incapable of overthrowing national systems Bolshevism constituted a credible threat which favoured the spread of fascist and nationalist trends Offering the first detailed account of the Bolshevik danger at an international level the book draws on multi national and multiarchival research to examine how the peril of Bolshevism paradoxically allowed a stabilization of the post World War I Versailles system Lenin Ronald Clark, 2011-09-28 In this accomplished biography of Vladimir Lenin Ronald Clark fills in the gap left by political economic and social historians Lenin's personality Clark introduces readers to Lenin the man an enthusiastic mountaineer with a sardonic sense of humor an affectionate husband with a long rumored affair Clark examines and describes the personality of one of the most dedicated and single minded political leaders of the 20th century Britain and the Bolshevik Revolution Stephen White, 1979-06-17 **Red Flag and Union Jack** Paul Ward, 1998 It is generally assumed that the language of patriotism and national identity belongs to the political right but the emergence of socialism in the 1880s shows clearly that the left also drew on such ideas in its formative years to legitimate a particular form of socialism one presented as a restoration of an English past lost to industrial capitalism The First World War dealt a severe blow to this radical patriotism though the anti war left continued to use radical patriotic language in the early years the war degraded patriotism generally while the Russian Revolution gave internationalism a new focus and also threatened the dominant concept of British socialism Moderate Labour sought to prove their fitness to govern and concentrated on the national interest rather than oppositional Englishness while the left of the movement looked to Soviet Russia rather than the

English past for models for a future socialist society PAUL WARD is lecturer in Modern British History at Royal Holloway University of London and Visiting Lecturer at the University of Westminster *Canadian-American Slavic Studies*, 1986 A quarterly journal devoted to Russia and East Europe **The Engineer Of Revolution** Timothy Edward

O'Connor, 1992-03-22 This is the first Western biography of L B Krasin a leader of the Bolshevik wing of the Russian Social Democratic Workers Party commissar of foreign trade in the Soviet government in the 1920s and one of the foremost Soviet diplomats of his era This meticulously documented book is based on extensive research in Soviet and Western archives and libraries as well as on Krasin's personal unpublished letters It reviews Krasin's revolutionary conduct including his technical organization of V I Lenin's expropriations robberies of Tsarist banks and post offices by secret Bolshevik fighting squads Krasin's revolutionary activities were quite remarkable considering his prominent position in Russian society By the 1905 Revolution he had become one of the leading engineers in the country and had acquired an international reputation for his expertise in chemical and electrical engineering This biography examines Krasin's significant role in consolidating the Soviet government through the recruitment of technical specialists his pursuit of Western credits and loans for economic reconstruction and modernization and his work to establish diplomatic relations between the new government and Western European governments during the first part of the 1920s The book devotes considerable attention to the reasons for his staunch defense of the Soviet monopoly of foreign trade There is also careful treatment of Krasin's ideology of a technological utopia a socialist technocracy in Soviet Russia *The Political Culture of Modern Britain* John Malcolm

William Bean, 1987 *Modern Social Movements* Savel Zimand, 1921 **Reform, Revolution and Direct Action amongst British Miners** Martyn Ives, 2016-09-07 In *Reform Revolution and Direct Action amongst British Miners* Martyn Ives offers a new perspective on one of the most volatile periods in labour history His research into the astonishing coalfield militancy of 1919 reveals it was a watershed year on a par with 1926 Indeed the General Strike was in many ways merely its dim echo Whilst historians have skated over the labour unrest of 1919 Martyn Ives uncovers a remarkable incidence of unofficial mass strikes in the coalfields waged against mine owners government and trade union leaders alike Led by revolutionaries and infused with political radicalism this mass movement offered a glimpse of an alternative road to socialism based upon the organised industrial power of the working class **Iron Curtain**, 2009-10-28 From Stettin in the Baltic to Trieste in the Adriatic an iron curtain has descended across the Continent With these words Winston Churchill famously warned the world in a now legendary speech given in Fulton Missouri on March 5 1946 Launched as an evocative metaphor the Iron Curtain quickly became a brutal reality in the Cold War between Capitalist West and Communist East Not surprisingly for many years people on both sides of the division have assumed that the story of the Iron Curtain began with Churchill's 1946 speech In this pioneering investigation Patrick Wright shows that this was decidedly not the case Starting with its original use to describe an anti fire device fitted into theatres *Iron Curtain* tells the story of how the term evolved

into such a powerful metaphor and the myriad ways in which it shaped the world for decades before the onset of the Cold War. Along the way it offers fascinating perspectives on a rich array of historical characters and developments from the lofty aspirations and disappointed fate of early twentieth century internationalists through the topsy turvy experiences of the first travellers to Soviet Russia to the theatricalization of modern politics and international relations. Ultimately as Wright reveals the term captures a particular way of thinking about the world that long pre dates the Cold War. In reality the iron curtain was never just a frontier it was a psychological state and it did not simply disappear with the Berlin Wall. *The Statesman's Year-book*, 1928

Russian Bolshevism And British Labor 1917 1921 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Bolshevism And British Labor 1917 1921 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Bolshevism And British Labor 1917 1921 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Bolshevism And British Labor 1917 1921 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Bolshevism And British Labor 1917 1921 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Bolshevism And British Labor 1917 1921 is one of the best book in our library for free trial. We provide copy of Russian Bolshevism And British Labor 1917 1921 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Bolshevism And British Labor 1917 1921. Where to download Russian Bolshevism And British Labor 1917 1921 online for free? Are you looking for Russian Bolshevism And British Labor 1917 1921 PDF? This is definitely going to save you time and cash in something you should think about.
