Virginia Woolf's Portraits of Russian Writers Darya Protopopova, 2019-02-05 Virginia Woolf always stayed ahead of her time Championing gender equality when women could not vote publishing authors from Pakistan France Austria and other parts of the world while nationalism in Britain was on the rise and befriending outcasts and social pariahs As such what could have possibly interested her in the works of nineteenth century Russian writers austere and at times misogynistic thinkers preoccupied with peasants priests and paroxysms of the soul This study explains the chronological and cultural paradox of how classic Russian fiction became crucial to Woolf's vision of British modernism We follow Woolf as she begins to learn Russian invents a character for a story by Dostoevsky ponders over Sophia Tolstoy's suicide note and proclaims Chekhov a truly modern writer The book also examines British modernists' fascination with Russian art looking at parallels between Roger Fry's articles on Russian Post Impressionists and Woolf's essays on Chekhov Dostoevsky Tolstoy and Turgenev

Schechtman, 1986 Russian Writers on Translation Brian James Baer, Natalia Olshanskaya, 2014-07-16 Since the early eighteenth century following Peter the Great's policy of forced westernization translation in Russia has been a very visible and much discussed practice Generally perceived as an important service to the state and the nation translation was also viewed as a high art leading many Russian poets and writers to engage in literary translation in a serious and sustained

manner As a result translations were generally regarded as an integral part of an author's oeuvre and of Russian literature as a whole This volume brings together Russian writings on translation from the mid 18th century until today and presents them in chronological order providing valuable insights into the theory and practice of translation in Russia Authored by some of Russia's leading writers such as Aleksandr Pushkin Fedor Dostoevskii Lev Tolstoi Maksim Gorkii and Anna Akhmatova many of these texts are translated into English for the first time They are accompanied by extensive annotation and biographical sketches of the authors and reveal Russian translation discourse to be a sophisticated and often politicized exploration of Russian national identity as well as the nature of the modern subject Russian Writers on Translation fills a persistent gap in the literature on alternative translation traditions highlighting the vibrant and intense culture of translation on Europe's periphery Viewed in a broad cultural context the selected texts reflect a nuanced understanding of the Russian response to world literature and highlight the attempts of Russian writers to promote Russia as an all inclusive cultural model

writings about Jesus Professions of atheism in Dostoevsky and Tolstoy's non-divine Jesus are but separate negative paths toward truer discernment of Christ This first study in English of the image of Christ in Russian literature highlights the importance of apophaticism as a theological practice and a literary method in understanding the Russian Christ It also emphasizes the importance of skepticism in Russian literary attitudes toward Jesus on the part of writers whose private crucibles of doubt produced some of the most provocative and enduring images of Christ in world literature This important study will appeal to scholars and students of Orthodox Christianity and Russian literature as well as educated general readers interested in religion and nineteenth century Russian novels **Russian Life** ,2010 Outlook ,1927 *Sasha Sokolov: The Life and Work of the Russian "Proet"* Martina Napolitano,2022-03-07 Martina Napolitano explores the poetics of one of the most significant Russian authors of the 20th century Sasha Sokolov's oeuvre represents a milestone in the development of Russian literature his legacy can be traced in most prose and poetry appearing in post Soviet Russia Taking as point of departure the studies and analyses written so far and considering the new suggestions contained in Sokolov's last published book *Triptych* 2011 Napolitano further examines the keystones and the theoretical framework that arise from a close reading of Sokolov's works trying to systematize the findings into what can be considered as a structured authorial theory of literary creation The study demonstrates how Sokolov's oeuvre cannot be fully understood but within the widened perspective of inter artistic creation in fact the writer a failed composer as he admits in his literary work has tried to draw natural and spontaneous connecting lines between the artificially categorized realms of art word sound painting performance Finally the book sets forth the first solid analysis of Sokolov's concept of *proeziia* not merely a genre nor style of his own invention but a more significant theoretical reflection of the writer about the role and value of literature art creation and finally beauty Handbook of Russian Literature Victor Terras,1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays
