**Prophecy** Wayne J. Bentley,2022-08-25 Prophecy Now through End Times starts with the Great Apostasy a falling away and continues to explain the events of Revelation in order up to the Return of Jesus If Jesus did not return the events explained in this text would lead to the extinction of humanity Jesus said No flesh shall be saved Humanity ends it is an extinction event The events leading up to Jesus s return have the days shortened and the Earth tilting four times killing off most of humanity Everyone in Asia dies except the two hundred million man army that is attacking Israel when Jesus returns Here in the United States the coastlines will be destroyed by an object from outer space that hits the Earth and sends tidal waves around the globe The heartland will survive with the help of the Church of Philadelphia There is little to zero trade between the countries of the world because the object from space destroys the ships The Antichrist rules in the revived Holy Roman Empire and declares himself god He kills every Catholic in his empire and attacks Israel Jesus said Watch that you may be accounted worthy to escape all these things <https://www.prophecynowtoendtimes.com> *The nature of Russia's relations to the Orthodox East in the 16th and 17th centuries* Prof. Nikolai F. Rev. Patrick E. Quainoo,2016-10-14 Democracy has seemingly outward appeal but inward characteristics of evil and deception because God Yahweh has no place in it It is about the rule of man s laws and not God s law therefore there is no absolute truth that exists in democracy but absolute truth in God s law In a democratic view since no one possesses absolute truth all side to an argument or discussion must be given free expression because no truth is so certain that it may not be challenged not even the truth of democracy itself In the end when tension looms then there is an unending appeal for tolerance With time democracy has developed from a largely northern European style of governance to a worldwide phenomenon in the 21st century Consequently almost everybody today consider democracy to be the ideal form of government under a widely accepted consensus that it is a government of choice in the global market place of social systems but how true is it As you read this book I pray that you will be enlightened in the knowledge of God so as you are not tossed about by any wind of doctrines of men but by God     **The Complete Black Book of Russian Jewry** Vasily Grossman,2017-07-12 The Complete Black Book of Russian Jewry is a collection of eyewitness testimonies letters diaries affidavits and other documents on the activities of the Nazis against Jews in the camps ghettos and towns of Eastern Europe Arguably the only apt comparism is to The Gulag Archipelago of Alexander Solzhenitsyn This definitive edition of The Black Book including for the first time materials omitted from previous editions is a major addition to the literature on the Holocaust It will be of particular interest to students teachers and scholars of the Holocaust and those interested in the history of Europe By the end of 1942 1 4 million Jews had been killed by the Einsatzgruppen that followed the German army eastward by the end of the war nearly two million had been murdered in Russia and Eastern Europe Of the six million Jews who perished in the Holocaust about one third fell in the territories of the USSR The single most important text documenting that slaughter is The Black Book compiled by two renowned Russian authors Ilya Ehrenburg and Vasily Grossman Until now The Black Book was only available in English in truncated editions Because of its profound significance this new and definitive English translation of The Complete Black Book of Russian Jewry is a major literary and intellectual event From the time of the outbreak of the war Ehrenburg and Grossman collected the eyewitness testimonies that went into The Black Book As early as 1943 they were planning its publication the first edition appeared in 1944 During the years immediately after the war Grossman assisted Ehrenburg in compiling additional materials for a second edition which appeared in 1946 in English as well as Russian Since the fall of the Soviet regime Irina Ehrenburg the daughter of Ilya Ehrenburg has recovered the lost portions of the manuscript sent to Yad Vashem The texts recove
