Ruthless Criticism New Perspectives In Us Communication History:

Ruthless Criticism William Samuel Solomon, Robert Waterman McChesney, 1993 Ruthless Criticism was first published in 1993 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Ruthless Criticism offers perspectives and subjects largely outside traditional historiography It broadens the concept of media history to include lesser studied media and offers alternative interpretations of traditional media This anthology of original research includes an array of scholarly and theoretical perspectives Each addresses specific topic within a specific era reflecting the diversity of U S mass media Solomon and McChesney begin by using critical theory and deconstruction to examine the meanings of print in the colonial era Subsequent chapters study the media ecology of the antebellum press the intense focus on profits of the post Civil War mainstream press gender images in the labor press the diversity of political views within the working class press and the development of a commercial press in the black community The essays concerning the twentieth century focus on the rise of a culture industry and include studies on the origins of the broadcast ratings system and the commercial broadcast system and the commercial broadcast system early television s portrayals of childhood the television s networks close ties with the federal government the government s key role in creating and developing the field of mass communication research and teenage girls popular culture from 1960 1968 as a formative influence on the feminist movement

Media And Audiences: New Perspectives Ross, Karen, Nightingale, Virginia, 2003-12-01 This work takes both a chronological and a thematic approach in order to explore the ways in which the audience as an analytical concept has changed as well as examining the relationships which audiences have with texts and the ways in which they exert their power as consumers

The Space of Opinion Ronald N. Jacobs, Eleanor Townsley, 2011-10-06 The Space of Opinion describes and analyzes the complex space of commentary and opinion in the news media Ronald Jacobs and Eleanor Townsley rely on enormous samples of opinion collected from newspapers and television shows during the first years of the last two Presidential administrations and employ biographical data on authors of opinion to connect specific argument styles to specific types of authors and examine the distribution of authors and argument types across different formats

Let Us Make Men D'Weston Haywood, 2018-09-25 During its golden years the twentieth century black press was a tool of black men s leadership public voice and gender and identity formation Those at the helm of black newspapers used their platforms to wage a fight for racial justice and black manhood In a story that stretches from the turn of the twentieth century to the rise of the Black Power movement D Weston Haywood argues that black people s ideas rhetoric and protest strategies for racial advancement grew out of the quest for manhood led by black newspapers This history departs from standard narratives of black protest black men and the black press by positioning newspapers at the intersections of gender ideology race class identity urbanization the public sphere and black institutional life Shedding crucial new light on the deep roots of African Americans mobilizations around issues of

rights and racial justice during the twentieth century *Let Us Make Men* reveals the critical complex role black male publishers played in grounding those issues in a quest to redeem black manhood

Children and the Movies Garth Jowett, Ian C. Jarvie, Kathryn Fuller-Seeley, 1996-01-26 *Children and the Movies* Media Influence and the Payne Fund Controversy analyzes the first and most comprehensive study of the influence of movies on American youth the Payne Fund Studies First published in 1933 these studies are intrinsically important for their insights and conclusions regarding the effects of movies on behaviour They are moreover also an important landmark of modern social science research demonstrating the rapid evolution of this discipline in American academic institutions over the first three decades of the century

The Gilded Age Joel Shrock, 2004-06-30 *The Gilded Age* the time between Reconstruction and the Spanish American War marked the beginnings of modern America The advertising industry became an important part of selling the American Dream Americans dined out more than ever before and began to take leisure activities more seriously Women's fashion gradually grew less restrictive and architecture experienced an American Renaissance Twelve narrative chapters chronicle how American culture changed and grew near the end of the 20th century Included are chapter bibliographies a timeline a cost comparison and a suggested reading list for students This latest addition to Greenwood's American Popular Culture Through History series is an invaluable contribution to the study of American popular culture American Popular Culture Through History is the only reference series that presents a detailed narrative discussion of U S popular culture This volume is one of 17 in the series each of which presents essays on Everyday America The World of Youth Advertising Architecture Fashion Food Leisure Activities Literature Music Performing Arts Travel and Visual Arts

Making Radio Shawn VanCour, 2018-03-01 The opening decades of the twentieth century witnessed a profound transformation in the history of modern sound media with workers in U S film radio and record industries developing pioneering production methods and performance styles tailored to emerging technologies of electric sound reproduction that would redefine dominant forms and experiences of popular audio entertainment Focusing on broadcasting's initial expansion during the 1920s *Making Radio* explores the forms of creative labor pursued for the medium in the period prior to the better known network era assessing their role in shaping radio's identity and identifying affinities with parallel practices pursued for conversion era film and phonography Tracing programming forms adopted by early radio writers and programmers production techniques developed by studio engineers and performance styles cultivated by on air talent it shows how radio workers negotiated a series of broader industrial and cultural pressures to establish best practices for their medium that reshaped popular forms of music drama and public oratory and laid the foundation for a new era of electric sound entertainment

North of America Asa McKercher, Michael D. Stevenson, 2023-07-15 In 1941 influential US publishing magnate Henry Luce declared the world was in the midst of the first great American century believing his nation held the power and vision to lead and transform the world What did a newly outward looking and hegemonic United States mean for

its northern neighbour North of America is a sharp eyed volume providing a unique look at postwar Canada bringing to the fore the opinions and perceptions of a broad range of Canadians from consumers to diplomats jazz musicians to urban planners and a diverse cross section in between As they grappled with issues including constitutional reform transit policy national security the arrival of television white supremacy and postwar domesticity Canadians were ever mindful of the unfolding American experience and its influence

Militarization Roberto J. González, Hugh Gusterson, Gustaaf Houtman, 2019-12-06 Militarization A Reader offers a range of critical perspectives on the dynamics of militarization as a social economic political cultural and environmental phenomenon It portrays militarism as the condition in which military values and frameworks come to dominate state structures and public culture both in foreign relations and in the domestic sphere Featuring short readable essays by anthropologists historians political scientists cultural theorists and media commentators the Reader probes militarism s ideologies including those that valorize warriors armed conflict and weaponry Outlining contemporary militarization processes at work around the world the Reader offers a wide ranging examination of a phenomenon that touches the lives of billions of people In collaboration with Catherine Besteman Andrew Bickford Catherine Lutz Katherine T McCaffrey Austin Miller David H Price David Vine

Democratic Destiny and the District of Columbia Ronald W. Walters, Toni-Michelle Travis, 2010-03-01 This book contributes substantially to urban affairs and public policy literature by presenting an introduction to the complex politics and public policy issues of Washington D C The uniqueness of the city as elaborated in this volume provides background for understanding the non traditional congressional relationship with the city and the way in which this establishes and perpetuates the continuing fight for congressional representation real home rule and equitable federal benefits for citizens of the District of Columbia Usually becoming a mayor member of a city council or agency head in a major city could become a stepping stone to higher office In Washington D C however this has not been the case Contests for political leadership operate in a unique political climate because Washington D C is the capital of the U S subject to congressional oversight has a majority African American population and has a majority Democratic population Those who become mayor are therefore confined to play a local with rare opportunities for a national role One Objective of this volume is to highlight the difficulties of experiencing political democracy and adequate policy distribution by citizens of the District of Columbia These analyses conclude that one of the major obstacles to these objectives is the manner in which home rule was constructed and persists leading to the conclusion that the desire of citizens and their leaders for change is well founded
