Blessed Connections Judith Schwanz,2008-01-15 No pastor sets out to fail but statistics say 15 to 20 percent of pastors leave pastoral ministry within the first five years One seminary administrator said that every person he had heard of leaving the ministry had done so because of a relationship failure We cannot escape relationships in ministry yet few seminaries offer courses in how to build healthy relationships The assumption is that the type of person who is called to ministry will have all the people skills they need which sadly is not always true n Blessed Connections seminary professor Judith Schwanz focuses on the person of the minister and the relational system of the minister s life She spotlights three areas of connection relationship with self relationships with other people and relationship with God Attending to these three primary connections will strengthen the pastor and cushion her or him against the pressures and stresses of daily ministry Blessed Connections is ideal for seminary students and new pastors and includes Assessment Journal questions at the end of each chapter for personal application **Getaway with God** Letitia Suk,2016-11-29 What if a simple day away could transform your life Does spending time with God sound like just one more thing to check off an ever increasing to do list How are you supposed to fit in anything that threatens to be more time consuming Too often there s simply no room to experience the intimacy grace and peace that God offers us Getaway with God does more than invite you to step away from life s pressures to take a personal retreat It shows you exactly why you must for your sake and for your family s With grace and warmth Letitia Suk provides step by step guidance and the necessary tools to enable any woman on any budget to plan time away whether it s a quick half day break or a weeklong time of restoration You ll find detailed steps for preparation including descriptions of different kinds of retreats and how to choose the best one for you and you ll learn ways to bring the renewal you experience home with you Practical appendixes identify retreat centers nationwide and provide exercises and prayers to kick start your getaway with God No matter what your season in life the time for retreat is now Getaway with God is a gem Karen Burton Mains author of Open Heart Open Home director of Hungry Souls *Sharing Possessions* Luke Timothy Johnson,2011-01-24 This book is written as an exercise in theological reflection on one of the knottiest questions imaginable the connection between being a Christian and the way we own and use things When we turn to thinking about money and possessions we find ourselves in

murky waters The things we own and use like our sexuality lie close to the bone of our individual and collective sense of identity So writes respected scholar Luke Timothy Johnson in his introduction to *Sharing Possessions What Faith Demands* Stepping purposefully into the murky waters of owning and sharing Johnson endeavors to clarify and define the ambiguous concept of human possession especially in relation to God's divine ownership and to discern the Bible's teaching on the mystery of human possessing and possessiveness This second edition reflecting thirty years of Johnson's further thinking on the subject features chapters expanded with fresh insights helpful new study questions for each chapter and a substantial epilogue updating the work All who found in Luke Johnson's treatment of possessions as part of the mystery of human existence a deeper and more fruitful approach to the problems of wealth and poverty will find in this new edition continued critical reflection and fresh insight Those for whom this is a first encounter will find out what made it worth reissuing after thirty years Sondra Ely Wheeler Wesley Theological Seminary

A Path to Belonging Mary Kay DuChene, Mark Sundby, 2022-07-12 Loneliness or the feeling of being cut off from others is an epidemic among people in America Studies have shown that up to half of Americans are lonely While some may think that clergy have a strong built in community this is not often the case According to leadership development consultants Mary Kay DuChene and Mark Sundby clergy are as lonely as the general population In *A Path to Belonging Overcoming Clergy Loneliness* DuChene and Sundby argue that clergy need to address their experience of loneliness First loneliness can interfere with leadership effectiveness Second it offers a ministry opportunity to connect with people around the topic of loneliness But clergy must first deal with their own loneliness and begin to experience the healing balm of social connection Each chapter begins with a case study that illustrates an aspect of clergy loneliness DuChene and Sundby draw on original research on loneliness among clergy across denominations first administering the state of the art inventory to measure loneliness and then following up with qualitative interviews They also draw on years of experience working directly with clergy and congregations The authors then offer tools and remedies for the path toward a healthy sense of contentment and belonging The book also explores what judicatory leaders congregations and friends and family of clergy can do to support clergy By normalizing and reframing loneliness however *A Path to Belonging* not only suggests ways to overcome the loneliness present in ministry DuChene and Sundby propose an even larger vision Perhaps clergy can also help the congregations they serve become social connectors in their communities and thereby begin to solve the epidemic of loneliness in the United States
