

Act of Spiritual Communion

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

Sacramental Spiritual Communion:

Sacramental and Spiritual Communion Dietrich V. Asten, Werner Glas, 1984 *The Holy Eucharist* Alphonsus De Ligouri, St., Brother Hermenegild, 2013-02-23 The first section is on the Sacrifice of Jesus Christ The next section is on visits to the Blessed Sacrament and to the Blessed Virgin Mary This includes an instruction on Spiritual Communion There are eight meditations for the Feast and Octave of Corpus Christi This is followed by a Novena to the Sacred Heart Over 200 pages are devoted to meditations on charity commenting on Saint Paul's First Epistle to the Corinthians chapter 13 Charity is This is followed by ten meditations on Charity This work closes with a pious exercise to obtain the Seven Gifts of the Holy Ghost Saint Alphonsus writes on Spiritual Communion As in all the following visits to the Most Blessed Sacrament a spiritual Communion is recommended it will be well to explain what it is and the great advantages which result from its practice A spiritual Communion according to St Thomas consists in an ardent desire to receive Jesus in the Most Holy Sacrament and in lovingly embracing Him as if we had actually received Him How pleasing these spiritual Communions are to God and the many graces which He bestows through their means was manifested by our Lord Himself to Sister Paula Maresca the foundress of the convent of St Catharine of Sienna in Naples when as it is related in her life He showed her two precious vessels the one of gold the other of silver He then told her that in the gold vessel was preserved her sacramental Communions and in the silver one her spiritual Communions He also told Blessed Jane of the Cross that each time that she communicated spiritually she received a grace of the same kind as the one that she received when she really communicated Above all it will suffice for us to know that the holy Council of Trent greatly praises spiritual Communions and encourages the faithful to practice them Hence all devout souls are accustomed often to practice this holy exercise of spiritual Communion Blessed Agatha of the Cross did so two hundred times a day And Father Peter Faber the first companion of St Ignatius used to say that it was of the highest utility to make spiritual Communions in order to receive the sacramental

Communion well All those who desire to advance in the love of Jesus Christ are exhorted to make a spiritual Communion at least once in every visit that they pay to the Most Blessed Sacrament and at every Mass that they that they hear and it would even be better on these occasions to repeat the Communions three times that is to say at the beginning in the middle and at the end This devotion is far more profitable than some suppose and at the same time nothing can be easier to practice The above named Blessed Jane of the Cross used to say that a spiritual Communion can be made without any one remaking it without being fasting without the permission of our director and that we can make it at any time we please an act of love does all The blessed sacrament; preparation, attendance, giving of thanks, spiritual communion, by a parish priest [F.W. Faber]. Frederick William Faber,1893 **The Sacramental Mystery** Paul Haffner,1999 The seven sacraments lie at the centre of Christian life and experience for here God the Holy Trinity touches human lives and hearts This book is one of the few at the present time to offer a global synthesis of the main themes in the sacramental mystery in which the human and divine the material and the spiritual realms are intimately intertwined Paul Haffner outlines how the sacraments are the chief means in the Church through which God s people are reconciled to the Father through His Son by the power of the Holy Spirit The book illustrates classical issues like the conditions for the validity and the efficacy of the sacraments as well as the minister recipient and effects of these sacred mysteries it deals with particular topics like the necessity of Baptism the sacrificial character of the Eucharist and the nature of marriage As he examines each sacrament in turn the author also explores how new ecumenical questions affect Christian sacramental understanding I warmly commend this work on the subject of sacramental theology Archbishop Csaba Ternyak Secretary of the Vatican Congregation of the Clergy Paul Haffner is lecturer in systematic and dogmatic theology at the Pontifical Gregorian University the Pontifical Lateran University the Pontifical Athenaeum Regina Apostolorum and the Pontifical Institute Regina Mundi in Rome His publications include *The Mystery of Creation* *The Mystery of Reason* and *The Mystery of Mary* all also published by Gracewing *Touched by Christ: The Sacramental Economy* Lawrence Feingold,2021-05-07 The sacramental economy was instituted by Christ and entrusted to His Church in order to build up the Body of Christ in a twofold communion binding the members together with God and one another *Touched by Christ* The Sacramental Economy is an introductory course on Sacramental Theology suitable for all who seek a deeper understanding of how the Church s sacraments constitute channels of grace nurture supernatural life and heal us from our sins Lawrence Feingold expertly describes the nature of the sacraments their purpose fittingness and relationship with Christ and the New Covenant their relationship with the Old Covenant rites that prefigured them the character and grace that they communicate and the nature of their causality *Touched by Christ* shows that the sacraments of the New Covenant should be understood as instruments of Christ s humanity that are used as words of power to communicate the sanctification that they signify infuse grace communicate the Holy Spirit and build up ecclesial communion in those who receive them with the right dispositions **The Sacramental Vision of Edward Bouverie Pusey** Tobias A.

Karlowicz,2021-10-21 Offering a decisive challenge to the older reception of Pusey as a paragon of backwards scholarship Tobias A Karlowicz argues that Pusey is properly understood as a penetrating and original theologian whose work anticipated contemporary conversations about the nature of theology and a pivotal figure in the history of Anglican theology Karlowicz locates the heart of Pusey s project in a theological perception which looks through the physicality and concreteness of language to discern Christ at the centre of both Scripture and the physical creation This sacramental vision which grew from Pusey s critique of Christianity s decay and his formative engagement with patristic hermeneutics and ontology forms his teaching on the sacraments as vehicles for a Christian life of eucharistic self oblation in union with Christ and demonstrates the relevance of his thought to contemporary theology **Inter timorem et spem: A Study of the Theological Thought**

The Eucharist: Mystery of Presence, Sacrifice, and Communion Lawrence Feingold,2018-04-01 The Eucharist Mystery of Presence Sacrifice and Communion explores the three ends of the Sacrament of Sacraments God s true presence His redemptive sacrifice and spiritual nourishment through communion with Him In this follow up to his groundbreaking work Faith Comes From What Is Heard Lawrence Feingold constructs a biblical vision of the Eucharist from its prefigurement in the Old Testament to its fulfillment in the New and presents the Eucharistic theology of the Church Fathers St Thomas Aquinas and magisterial teaching from centuries past through today The Eucharist is a masterful text both challenging and spiritually rich that comprehensively examines the unspeakable mystery that is the Eucharist Metaphors of Eucharistic Presence Stephen R. Shaver,2021-12-14 One of the most challenging questions for Christian ecumenical theology is how the relationship between the eucharistic bread and wine and Jesus Christ s body and blood can be appropriately described This book takes a new approach to controverted questions of eucharistic presence by drawing on cognitive linguistics Arguing that human cognition is grounded in sensorimotor experience and that phenomena such as metaphor and conceptual blending are basic building blocks of thought the book proposes that inherited models of eucharistic presence are not necessarily mutually exclusive but can serve as complementary members of a shared ecumenical repertoire The central element of this repertoire is the motif of identity grounded in the Synoptic and Pauline institution narratives The book argues that the statement The eucharistic bread and wine are the body and blood of Christ can be understood both as figurative and as true in the proper sense thus resolving a church dividing dichotomy The identity motif is complemented by four major non scriptural motifs representation change containment and conduit Each motif with its entailments is explored in depth and suggestions for ecumenical reconciliation in both doctrine and practices are offered The book also provides an introduction

to cognitive linguistics and offers suggestions for further reading in that field *Spiritual Communion: devotions for the use of those who are hindered from receiving the Sacrament ... To which are added Prayers to the blessed Virgin for every day in the week [and other devotions] tr. from the Ital. of st. Alfonsus Liguori [and others]. Revised by a Catholic clergyman Alfonso Maria de' Liguori (st.),1849 Visits to the Blessed Sacrament St. Alphonsus Liguori,2001-01-02 After she died St Theresa of Avila appeared to one of her nuns and said There should be no difference as far as purity and love are concerned between the blessed in Heaven and the faithful on earth though we are perfectly happy and you are suffering What the Divine Essence is to us in Heaven the Blessed Sacrament should be to you on earth Here then says St Alphonsus is our heaven on earth the Most Blessed Sacrament This book was conceived and written to help us grow in the knowledge and love of God and in appreciation for what He has done for us by giving us the Blessed Sacrament For each of the 31 days of the month St Alphonsus provides for us a Visit to Our Lord which is a brief meditation on and a fervent prayer of love toward Jesus in the Most Blessed Sacrament Each Visit to Our Lord is followed by a Visit to Our Lady The latter are short meditations on and prayers of great confidence in her powerful help even for the most wretched and forsaken sinners At each Visit the reader is to make an Act of Spiritual Communion which will help enflame his heart with greater love of God Through this little book St Alphonsus leads a person to appreciate Our Lord s great love for us in the Blessed Sacrament to love Him in return and to consecrate his life to Him Visits to the Blessed Sacrament by St Alphonsus Liguori is a perennial favorite among Catholic prayerbooks as well as one of the most famous and best loved Catholic books ever published
