largest structure of its day west of the Mississippi River Its presence has continued to not only dominate the Sacramento landscape for a century and a half but has also come to shape the very outlook and future of Sacramento and of California itself The state capitol and its majestic dome have become the iconic symbol of the city *Sacramento* Steven M. Avella,2003-09-10 Born of a country s collective desire for riches Sacramento was resolute in its survival while other Gold Rush towns faded into history It battled catastrophic fires floods and epidemics to become the original western hub and laid claim to the capital of a state that would one day have the world s fifth largest economy The community s flourishing growth is not just a product of its economic viability but a direct result of the cultural vibrance and fortitude of a diverse populace that remains the backbone of our country s most dynamic state **Inside Guide to Sacramento** Dan Flynn,James A.
