Jesus Christ Superstition Robert M. Price,2019-09-04 Robert M Price a former Evangelical Christian examines the confusing intersection of Christianity and superstition by asking questions Is practicing the presence of God actually a variety of paranoia Is having a personal relationship with Jesus Christ really akin to a child playing with an imaginary friend At what point does a religious belief become an obsessive neurosis Price finds that the source of superstition in Christianity is the objectification of the transcendent As a result he argues many of the most destructive superstitions within Christianity are inessential accretions to the faith interfering with life transforming piety to the glad benefit of many of Christianity s adherents Christians who believe that an unexamined faith is not worth having will profit from struggling with Jesus Christ Superstition

Encounter Jesus! Peter M. Doane,2019-12-02 His Eminence Robert Cardinal Sarah prefect of the Congregation for Divine Worship and the Discipline of the Sacraments recently commented on the fire at Notre Dame cathedral He said the Church is only of interest because she allows us to encounter Jesus She is only legitimate because she passes on Revelation to us When the Church becomes overburdened with human structures it obstructs the light of God shining out in her and through her The Church should be like a cathedral Everything in Her should sing to the glory of God She must unceasingly direct our gaze toward him like the spire of Notre Dame pointed toward heaven Encounter Jesus Transforming Catholic Culture in Crisis is a call to rebuild a Catholic culture that has wandered from her spiritual root system In the West and the United States the light that shined starting in the Acts of the Apostles has become dim and in some places extinguished The specifics to what apostolic spirituality embodies will convict challenge and call the clergy consecrated religious and laity to take seriously what it means to be a catholic Christian Just as architects design the rebuilding of the Notre Dame Cathedral may this book serve as a blueprint for transformation in the culture of the church

Bowers,2016-09-15 This book is aimed at those Christians who have begun to question the conventional understandings of Jesus and Christianity and even of what we mean by God and have become discomfited by the dissonance between their own thinking and the church s stance A critical thinker by inclination and education Jack Bowers explored Celtic Christian spirituality for a decade That taught him there are other ways to live out the Christian faith than what we have been told by Rome and Protestantism Upon retirement in 1998 no longer professionally required to reflect conventional theology his belief structure began to wander seriously re examining all he had taught and believed Having heard whispered rumors in younger years of priests losing their faith instead he felt he was not losing his theology but growing it This volume leads you through the evolution of his beliefs to what he can speak out with confidence right now understanding that as he continues to grow and experience this world and hopefully get a little wiser his beliefs will evolve yet farther He invites you into this challenging spiritual pilgrimage to discover what you can confidently believe in 2016 AD **Women Encounter God** Linda A. Moody,2003-10-24 Women Encounter God is one of the

first books to explore the commonalities and convergences of women's theologies in the Americas. This critical comparative analysis of white feminist, womanist, and *mujerista* theologies focuses on how by placing their unique theologies in dialogue, the rich contributions of each theology can inform the others. By looking at the key themes of empowerment, embodiment, and relationality, Moody examines how three different types of feminist theologians perceive God. She discusses the works of such representative theologians as white feminists Mary Daly, Rosemary Ruether, Sally McFague, and Carter Heyward; Hispanic/Latina theologians Ada Maria Isasi Diaz, Yolanda Tarango, and Elsa Tamez; and womanist theologians Delores Williams, Jacquelyn Grant, and Katie Geneva Cannon, as well as feminist theorists Chela Sandoval and Rosemary Tong.

To Serve As Jesus Did Marty Haugen, 2006-04 The recent call to refocus on word and sacrament in church liturgy is explored in these musings about how parish ministers, choir directors, and lay leaders can return to basics in their Sunday services without changing the long-time programs valued by their congregations. The worry that that skillful public speaking and trained musicians may become entertainment for a passive audience is discussed, as is the challenge of finding a balanced approach to the relevance problem, the result of ministers focusing their sermons on modern social dilemmas at the expense of the more authentic church service of established liturgy and biblical interpretation.

Encounters with God Kelly Carr, 2005 This compilation of relevant issue-oriented stories, poems, and devotions from teens and Christian music artists will meet teens' needs at various places in their spiritual journey.

Receiving Jesus Mariann Edgar Budde, 2019-09-17 So often we think of the Christian faith as an obligation or as a set of beliefs that we must hold. With this outlook, we can lose sight of what is most important: the invitation to experience a loving personal relationship with God. It's a relationship we can trust where we can find refuge and solid ground upon which to stand. The Way of Love, set forth by the Episcopal Church's Presiding Bishop Michael Bruce Curry, is the journey of a lifetime. It's a way of knowing God, receiving and sharing Jesus' love, and being a blessing to the world. Mariann Edgar Budde shares her thoughts on how the reader can come to know, to receive Jesus more deeply, in practicing the Way of Love. Through the seven practices that have been put before us, to turn, to learn, to pray, and to worship, to bless, to go, and to rest, she will share biblical stories, wisdom from the Christian tradition, and her own personal stories of spiritual growth.

Into the Mess and Other Jesus Stories Debie Thomas, 2022-05-17 He was a disrupter and a peacemaker, a rebel and a rabbi. His friends were the riffraff, and his enemies, the religious elite. He was the wounded man who healed the sick, the homeless man who fed the hungry, the convicted criminal who released the captives, and the dead man who conquered the grave. The stories he told were scandalous, and the stories he lived changed the world. To reflect on the Jesus of the Gospels is to reflect on paradox, mystery, wonder, and messiness. It is to find God in the shadows, the tensions, and the ambiguities of life on earth, as it is. These essays on the stories of Jesus are invitations to faith in all its complexity and untidiness. The Jesus who emerges here is not the sanitized Christ of piety and platitude, but the Christ of complicated joys and transcendent sorrows. The Christ who weeps, wonders, loses, learns, and seeks. These are the stories of the Incarnate God.
