Sacred Places And The Pilgrimage Of Life:

Sacred Places and the Pilgrimage of Life Lawrence A. Hoffman, 1991 A discussion of three types of sacred places those of natural beauty those of historical significance and those made holy by human ritual Sacred Places North America Brad Olsen, 2008-03-01 This revised and updated comprehensive travel guide examines North America's most sacred sites for spiritually attuned explorers Important archaeological geological and historical destinations from coast to coast are exhaustively examined from the weathered pueblos of the American Southwest and the medicine wheels of western Canada to Graceland and the birthplace of Martin Luther King Jr Histories and cultural contexts are objectively surveyed along with the latest academic theories and insightful metaphysical ruminations Detailed maps drawings and travel directions are also included *Sacred Sites, Rituals, and Performances* Kiran Shinde, 2021-09-09 The conceptual territory of religious tourism is fluid While recreation and leisure based motivation and behaviors are evident in religious tourism this volume reiterates its rootedness in tenets from religious traditions and pilgrimages Using fresh perspectives on place stories rituals performances that are central to pilgrimage and sacred sites essays in this volume explain contemporary expressions of religious tourism and illustrate the dynamic nature of religious tourism as an ecosystem embedded in religious practices rituals and performances The explanations will benefit researchers and practitioners alike and they can find numerous examples that show the significance of religious tourism for sustainable development of destinations **Spiritual Pilgrimages: Sacred Sites and Religious Journeys** Georgie Rogers, Embark on a transformative journey with Spiritual Pilgrimages Sacred Sites and Religious Journeys This comprehensive guidebook delves into the profound world of spiritual travel offering insights into some of the most revered pilgrimage destinations across the globe From the sacred trails of the Camino de Santiago to the mystical landscapes of Mount Kailash discover the spiritual significance historical backgrounds and practical tips for each site Whether you're seeking personal growth spiritual awakening or a deeper connection with the divine this book provides all the guidance you need to embark on a meaningful pilgrimage Enrich your soul embrace new cultures and capture the essence of sacred travel with Spiritual Pilgrimages Sacred Sites and Religious Journeys *Sacred Places, Emerging Spaces* Tsypylma Darieva, Florian Mühlfried, Kevin Tuite, 2018-02-19 Though long associated with violence the Caucasus is a region rich with religious conviviality Based on fresh ethnographies in Georgia Armenia Azerbaijan and the Russian Federation *Sacred Places Emerging Spaces* discusses vanishing and emerging sacred places in the multi ethnic and multi religious post Soviet Caucasus In exploring the effects of de secularization growing institutional control over hybrid sacred sites and attempts to review social boundaries between the religious and the secular these essays give way to an emergent Caucasus viewed from the ground up dynamic continually remaking itself within shifting and indefinite frontiers **Encyclopedia of Sacred Places** Norbert C. Brockman, 2011-09-13 Now thoroughly revised and updated this encyclopedia documents the diversity of shrines temples holy places and pilgrimage sites sacred to the world's major religious traditions and illustrates

their elemental place in human culture As interest increases in the role of world religions in history and international affairs the new edition of Encyclopedia of Sacred Places which arrives 15 years after the publication of the original edition provides new and updated information on site specific religious practice and spiritually significant locations around the globe While many of the entries describe specific places like the Erawan Shrine and the Rock of Cashel others examine types of sacred sites pilgrimages and practices With articles that describe both the places and their associated traditions and history this reference book reveals the enormous diversity and cultural significance of religious practice worldwide For students and teachers of classes ranging from high school geography to university level courses in religious studies geography anthropology and sociology this book provides essential reference on places of great significance to the world's various faith traditions

Encyclopædia of Religion and Ethics: Picts-Sacraments James Hastings, John Alexander Selbie, Louis Herbert Gray, 1919 Articles on all the religions of the world and the great systems of ethics on every religious belief or custom and ethical movement on every philosophical idea and moral practice The Encyclopaedia embraces the whole range of theology and philosophy together with aspects of anthropology mythology folklore biology psychology economics and sociology Every article has been prepared by specialists Includes bibliographies and index

Sacred Mobilities Avril Maddrell, Alan Terry, 2016-03-03 This collection draws on the Mobilities approach to look afresh at notions of the sacred where they intersect with people objects and other things on the move Consideration of a wide range of spiritual meanings and practices also sheds light on the motivations and experiences associated with particular mobilities Drawing on rich situated case studies this multi disciplinary collection discusses what mobility in the social sciences arts and humanities can tell us about movements and journeys prompted by religious more broadly spiritual and secular sacred practices and priorities Problematizing the fixity of sacred places and times as territorially and temporally bounded entities that exist in opposition to profane everyday life this collection looks at the intersection between the embodied emotional spiritual experience of places travel belief practices and communities It is this geographically informed perspective on the interleaving of religious spiritual secular notions of the sacred with the material and more than representational attributes of associated mobilities and related practices which constitutes this volume's original contribution to the field

Pilgrims Darius Liutikas, 2020-11-20 Values rich journeys can be described as pilgrimage spiritual travel personal heritage tourism holistic tourism and valuistic journeys There are many motivations for undertaking these journeys the most important being personal values life experience personal and social identity lifestyle social and cultural influence This book presents contributions that address pilgrim motivation identity and values as they are shaped by the broader sociological psychological cultural and environmental perspectives The focus of the book is the travellers themselves and their inner world through the lens of their pilgrimage The research presented focuses on the typology of pilgrim journeys as ways in which identity and values are presented to a post modern consumer society providing interesting and challenging

perspectives on the identity of pilgrims in the 21st century Bodies Inhabiting the World Niels Henrik Gregersen, Derek R. Nelson, Bengt Kristensson Uggla, 2023-11-20 Bodies Inhabiting the World Scandinavian Creation Theology and the Question of Home offers a multidimensional investigation of how houses bodies communities and the whole universe may be conceived and refigured as places where we belong where we are at home in God s creation In this way revisiting the tradition of Scandinavian creation theology provides profound resources to make theological affirmations of God s omnipresence in the human condition we all share The emergence here of an exciting new theological program can be recognized beyond the limitations of other contemporary agendas cul de sacs blind spots and diffidence What it is to have a home is a universal question closely connected to what it means to be human and to live a good flourishing life But the negative experiences of homelessness broken homes statelessness and alienation always lurk in the background of the universal quest to find one s home in the world This book contains fourteen essays exploring the dynamics of the human experience of finding losing and finding again a home
