Island of Daemons Terence Dewsnap, 2008 Island of Daemons interprets accounts of the Donegal pilgrimage including histories guidebooks devotional writing newspaper and magazine articles as well as three major poems by twentieth century Irish poets The pilgrimage history documents religious and political themes as well as the experience of pilgrimage as arduous enlightening and humbling Early writings often stressed the sensational with miracles devils and hideous torture Most Lough Derg writings have been devotional but there is a strong tradition of satire as well Skepticism competes with reverence It is important to locate each modern poet within a tradition of choices made in times past This study attempting to register the variety of attitudes associated with Lough Derg depends at times on hypothesis speculative possibilities rather

than definite sources or influences This study will be useful to Irish Studies students teachers of Irish literature and history as well as those interested in cultural studies and religion

BOOK JACKET **Out of what Began** Gregory A. Schirmer, 1998 The first book of its kind Out of What Began traces the development of a distinctive tradition of Irish poetry over the course of three centuries Beginning with Jonathan Swift in the early eighteenth century and concluding with such contemporary poets as Seamus Heaney and Eavan Boland Gregory A Schirmer looks at the work of nearly a hundred poets Considering the evolving political and social environments in which they lived and wrote Schirmer shows how Irish poetry and culture have come to be shaped by the struggle to define Irish identity Schirmer includes a large number of accomplished poets who have been unjustly neglected in standard accounts of Irish literature many of these writers are women whose work has been kept in the shadows cast by that of well known male poets He also emphasizes the importance of political poetry in a country that continues to be torn by sectarian violence With its rich selection of poetic voices Out of What Began reveals the political social and religious diversity of Irish culture

"The Given Note" Seán Crosson, 2021-02-03 The oldest records indicate that the performance of poetry in Gaelic Ireland was normally accompanied by music providing a point of continuity with past tradition while bolstering a sense of community in the present Music would also offer particularly for poets writing in English from the eighteenth century onwards a perceived authenticity a connection with an older tradition perceived as being untarnished by linguistic and cultural division While providing an innovative analysis of theoretical work in music and literary studies this book examines how traditional Irish music including the related song tradition primarily in Irish has influenced and is apparent in the work of Irish poets While looking generally at where this influence is evident historically and in contemporary Irish poetry this work focuses primarily on the work of six poets three who write in English and three who write primarily in the Irish language Thomas Kinsella Seamus Heaney Ciaran Carson Gear id Mac Lochlainn Nuala N Dhomhnaill and Cathal Searcaigh

The Irish Beckett John P. Harrington, 1991-05-01 Breaking with a powerful tradition among scholars that insists that Beckett's Irishness is no more than an accident of birth Harrington provides compelling evidence to the ways in which many of Beckett's best known texts are deeply involved in Irish issues and situations Providing new readings of such works as More Pricks Than Kicks Murphy Watt Mercier and Camier Waiting for Godot and Endgame Harrington provides an understanding of Beckett's work in its representation of Ireland of Irish history and of Irish literary traditions
