

The background of the slide is a photograph of a beach at sunset. The sky is a mix of orange, yellow, and blue, with soft clouds. The ocean is dark blue with white foam from the waves crashing onto the shore. The beach is a mix of sand and dark rocks.

Polymetric Polyrhythms in Cycles of Twelve from African, Afro Cuban, and Afro Haitian Traditions Dennis

Maberry, 2015-03-15 This book is Dennis's third masterfully written contribution to our recreational drumming community. In this latest book, Dennis entices us to delve deeper in the world of culturally specific polyrhythms from the many rhythmacultures on this planet today. These rhythmacultures are still celebrating life through traditional drum dance and song and have a lot to teach us how to live and play in the world. Arthur Hull, Drummer, Percussionist, Author, Recording Artist, and internationally known as the Father of the Modern Drum Circle Movement, Advanced Beginner/Intermediate Level, *The Magic of Twelve* teaches the concepts of playing polymetric polyrhythms in cycles of twelve, including concepts such as playing 4 over 6 pulses. The book includes over thirty full ensemble rhythms from traditional African, Afro-Cuban, and Afro-Haitian sources. *Rhythms of the Afro-Atlantic World* Ifeoma C.K. Nwankwo, Mamadou Diouf, 2019-02-28 Collected essays

exploring the origins and evolution of music and dance in Afro-Atlantic culture. **The Possibility of America** David Dark, 2019-04-09 Published in the years following 9/11, David Dark's book *The Gospel according to America* warned American Christianity about the false worship that conflates love of country with love of God. It delved deeply into the political divide that had gripped the country and the cultural captivity into which so many American churches had fallen. In our current political season, the problems Dark identified have blossomed. The assessment he brought to these problems and the creative resources for resisting them are now more important than ever. Into this new political landscape and expanding on the analysis of *The Gospel according to America*, Dark offers *The Possibility of America: How the Gospel Can Mend Our God-Blessed, God-Forsaken Land*. Dark expands his vision of a fractured yet redeemable American Christianity, bringing his signature mix of theological, cultural, and political analysis to white supremacy, evangelical surrender, and other problems of the Trump era. **The Jesus Creed** Scot McKnight, 2004 Winner of the 2005 Christianity Today Book Award. When an expert in the law asked Jesus for the greatest commandment, Jesus responded with the Shema, the ancient Jewish creed that commands Israel to love God with heart, soul, mind, and strength. But the next part of Jesus' answer would change the course of history. Jesus amended the Shema, giving his followers a new creed for life: to love God with heart, soul, mind, and strength, but also to love others as themselves. Discover how the Jesus Creed of love for God and others can transform your life. **If**

Today You Hear God's Voice s. P. Gunzel, s.P., Raymond J., Raymond J. Gunzel, 1991-11 *If Today You Hear God's Voice* analyzes prayer as a contemplative activity that brings about a transformation of consciousness, leading to a bold and unambiguous prophetic stance in the world. **WayMaker** Ann Voskamp, 2022-03-15 Are you facing repeated roadblocks or feeling life shift in ways you never expected? Bestselling author Ann Voskamp offers the hope-giving message that God always makes a path through the impossible, no matter the obstacle. Encounter the WayMaker in surprising places and watch him pen poetry out of pain. It's true: heartache, grief, suffering, and obstacles—they all come in waves. There is no controlling life's storms; there is only learning the way to walk through the waves. In *WayMaker*, bestselling author Ann Voskamp hands us a

map that makes meaning of life and shows the way through to the places we've only dreamed of reaching In the face of suffering through seemingly unbearable situations we can rest in the fact that we are not alone In her signature captivating poetic style Ann reveals how God is present in the totality of our lives making a way for the Marriage that seems impossible Woman who longs for a child of her own Parents who ache for the return of their prodigal Sojourner caught between a rock and a hard place Wayfarer who feels as though there is no way through to her dreams Deeply personal Ann shares the moments of her life where the WayMaker transformed brokenness into beauty Learn to encounter the WayMaker in surprising ways in your own life and begin to see Him working in every miraculous detail Even now the Way is making the way to walk through waves and into a life more deeply fulfilling than your wildest dreams **Throwing the Baby Out with the Holy Water** Stephen White, 2025-08-22 This book is intended for those who feel something is missing For those who cherish their Reformation heritage but experience the lack of a rooted faith For those who crave spiritual depth yet have been cautioned against looking too far back For those who rightly suspect that the ancient Church holds treasures we've overlooked and who wish to recover them without compromising the gospel in the process I am one of those people I am Protestant I am grateful for the clarity conviction and gospel urgency that runs through the best of the Reformation tradition However I have also learned that the Reformation was not a blank slate It was a return a return to something already present in the early Church long before the medieval corruptions that the Reformers rightly challenged That Early Church is ours too The wisdom of the desert fathers is ours The profound thinking of Catholic theologians when in step with Scripture is ours The reverence of liturgical worship is ours Mary's example of discipleship is ours The practice of confession is ours These are not Catholic things that we're borrowing They are Christian things we left behind The goal of this book is not to argue for reunion with Rome It's not to flatten doctrinal differences or pretend that the Reformation doesn't matter It does matter deeply However recovering lost wisdom does not betray the gospel instead it deepens our experience of it It anchors us more fully in the historical Church and strengthens our present discipleship We live in an age of spiritual shallowness Attention spans are short Formation is thin Many of our churches have become expressions of the broader culture anxious fragmented performative over programmed and emotionally underdeveloped Our theological systems are sound but our souls are brittle What we need isn't novelty it's rootedness And there is no root system richer than the one the Spirit has cultivated through two thousand years of global historic Christianity That root system includes more than just Calvin and Luther it encompasses Irenaeus Benedict Teresa of Avila and yes even Aquinas It comprises the monastics and the mystics along with rhythms and practices that were born in the desert and tested by fire We don't honor our Protestant ancestors by staying shallow We honor them by going deeper by seeking the full maturity that the Church was always meant to grow into If we are to become a people of resilience depth and beauty again we must recover the practices and perspectives we once discarded We must learn to live not only as people of truth but as people of presence soaked in prayer humility and the kind of holiness that

cannot be faked This introduction is a doorway In the pages ahead we will explore what was lost not to romanticize the past but to recover what still holds the power to shape our future We will examine ancient practices like confession forgotten figures like the desert fathers neglected teachings about Mary and the immense intellectual and spiritual wealth of Catholic theologians who never stopped loving Scripture and Christ We will ask hard questions Can Protestants re engage with these issues without compromising our convictions Can we recover a reverence for tradition without losing our dependence on Scripture Can we build a Protestant future that is spiritually rich historically informed and deeply Christ centered I believe the answer is yes
