## Sad Years:

**The Developmental Psychopathology of Anxiety** Michael W. Vasey, 2001 In *The Development Psychopathology of Anxiety* the editors have brought together many of the field's most respected and innovative researchers and challenged them to take a fresh look at the major factors that appear to contribute to the etiology and maintenance of anxiety disorders in childhood and throughout the life span The result is a series of creative chapters that will stimulate further theoretical and empirical efforts regarding these important issues and which will be of interest to researchers and clinicians alike Jacket
