Original **Executive Decision-Making and the Courts** TT Arvind,Richard Kirkham,Daithí Mac Síthigh,Lindsay Stirton,2021-02-25 In this book leading experts from across the common law world assess the impact of four seminal House of Lords judgments decided in the 1960s *Ridge v Baldwin* *Padfield v Minister of Agriculture* *Conway v Rimmer* and *Anisminic v Foreign Compensation Commission* The Quartet is generally acknowledged to have marked a turning point in the development of court centred administrative law and can be understood as a formative moment in the emergence of modern judicial review These cases are examined not only in terms of the points each case decided and their contribution to administrative law doctrine but also in terms of the underlying conception of the tasks of administrative law implicit in the Quartet By doing so the book sheds new light on both the complex processes through which the modern system of judicial review emerged and the constitutional choices that are implicit in its jurisprudence It further reflects upon the implications of these historical processes for how the achievements failings and limitations of the common law in reviewing actions of the executive can be evaluated Principles of Tort Law Rachael Mulheron,2020-10-22 This book does what it says on the tin stating the corpus of tort law as a body of principles Undertaken for the first time in English tort law this book describes the law of tort concisely accessibly and accurately and with both depth and detail Reform of UK Company Law John De Lacy,2013-03-04 With the completion of the DTI sponsored Company Law Review the reform of company law has now become a very important subject of study This new book is a must for all those interested in the development and reform of UK company law The book collates the work of leading authorities on company law including members of the judiciary and the Law Commission and individuals from the worlds of professional practice and academia All main areas of company law are covered including directors duties corporate governance minority protection ultra vires company charges and human rights and the company as well as a comprehensive analysis of the work of the Company Law Reform Steering Group The central purpose of this book is to analyze the current state of play and to note in particular the work of the Company Law Review Group Critical analysis and suggestions on how company law should be reformed are also offered The Price of Privilege Collection: Born of Persuasion / Mark of Distinction / Price of Privilege Jessica Dotta,2017-05-09 This Collection combines all three books in Jessica Dotta's historical romance Price of Privilege series into one volume for a great value 1 Born of Persuasion The year is 1838 and seventeen year old Julia Elliston's position has never been more fragile Orphaned and unmarried in a time when women are legal property of their fathers husbands and guardians she finds herself at the

mercy of an anonymous guardian who plans to establish her as a servant in far off Scotland With two months to devise a better plan Julia s first choice to marry her childhood sweetheart is denied But when a titled dowager offers to introduce Julia into society a realm of possibilities opens However treachery and deception are as much a part of Victorian society as titles and decorum and Julia quickly discovers her present is deeply entangled with her mother s mysterious past Before she knows what s happening Julia finds herself a pawn in a deadly game between two of the country s most powerful men With no laws to protect her she must unravel the secrets on her own But sometimes truth is elusive and knowledge is deadly 2 Mark of Distinction London is said to be the glittering jewel of society a world unto itself but to Julia Elliston it is a city of shadows Her life is swiftly dissolving into scandal And in Victorian society even a whisper of scandal substantiated or not can be the death of a young woman s reputation Now under the watchful eye of Lord Roy Pierson one of most influential men in England Julia begrudgingly accepts his protection But Chance Macy s power is far reaching as well and he is eager to assert his claim over her Thrust into society as the Emerald Heiress Julia is the toast of London a celebrated curiosity But in reality she s trapped between the clutches of two powerful men Aided only by a gentleman whose intentions she prays she can trust Julia must finally take control of her own fate but outwitting one s foe rarely goes according to plan 3 Price of Privilege Having finally discovered the truth of her birthright Julia Elliston is determined to outwit Chance Macy at his own game Holding a secret he d kill to keep however is proving more difficult than she imagined Just when Julia thinks she s managed to untangle herself from Macy s clutches he changes tactics with a risky ploy As the scandal of the century breaks loose drawing rooms all over London whisper what so far newspapers have not dared to print Macy s lost bride is none other than Lord Pierson s daughter and one of the most controversial cases of marital law ever seen comes before Victorian courts Though Julia knows Macy s version of events is another masterful manipulation public opinion is swaying in his favor Caught in a web of deceit and lies armed only with a fledgling faith Julia must face her fiercest trial yet **Mote in Brussels' Eye** Ashley
