Lords Of Misrule

Claire Sponsler

Lords Of Misrule:

Twelfth Night James Schiffer, 2013-01-11 This volume in the Shakespeare Criticism series offers a range of approaches to *Twelfth Night* including its critical reception performance history and relation to early modern culture James Schiffer's extensive introduction surveys the play's critical reception and performance history while individual essays explore a variety of topics relevant to a full appreciation of the play early modern notions of love friendship sexuality madness festive ritual exoticism social mobility and detection The contributors approach these topics from a variety of perspectives such as new critical new historicist cultural materialist feminist and queer theory and performance criticism occasionally combining several approaches within a single essay The new essays from leading figures in the field explore and extend the key debates surrounding *Twelfth Night* creating the ideal book for readers approaching this text for the first time or wishing to further their knowledge of this stimulating much loved play **Monograph Series** Modern Language Association of America, 1927

Lords of Misrule Lords of Misrule (Theater group), The Book of Days Robert Chambers, 1864 Shropshire J. A. B. Somerset, 1994-01-01 The Records of Early English Drama volumes make available historical transcripts that provide evidence of early English drama music ceremonial dance and other forms of communal public entertainment in Britain before 1642 together with the necessary interpretive introductions and notes to explicate the materials for the reader Shropshire in two volumes is the eleventh publication in the series In the introduction Alan Somerset surveys the social and economic history of each major borough and provides a commentary on the major issues raised in the documents He discusses travelling performers routes the places they performed and the remarkable public exhibitions of high wire artists camels bears and giants The records for this county are rich and varied providing new detail about local playing and festivities From Shrewsbury for example comes the complete documentation of a unique semi circular outdoor amphitheatre The documents reveal much from robbery and riots to the sometimes acrimonious disputes that show the growing Puritan opposition to sports which attempted to combat an equally stubborn affection for traditional customs These records are an invaluable addition to the scholarship of early drama establishing as they do part of the total context of the great drama of Shakespeare his predecessors and his contemporaries *The Golden Bough* James George Frazer, 1913 Frazer's series which attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought **Myth and Creative Writing** Adrian May, 2013-11-19 *Myth and Creative Writing* is a unique and practical guide to the arts of creative writing It Gives a historical perspective on the storyteller's art Takes a wide view of myth to include legends folklore biblical myth classical myth belief myths balladry and song Considers all aspects of the creative process from conception to completion Provides tips on seeking

inspiration from classical and mythic sources Shows how myths can be linked to contemporary concerns Enables beginning writers to tap into the deeper resonances of myth Guides students to further critical and creative resources A secret that all writers know is that they are part of a long tradition of storytelling whether they call it mythic intertextual interactive or original And in the pantheon of storytelling myths those stories that tell us in often magical terms how the world and the creatures in it came to be are the bedrock a source of unending inspiration One can dress the study of literature in the finest critical clothing or intellectualise it until the cows come home but at its heart it is nothing more and nothing less than the study of the human instinct to tell stories to order the world into patterns we can more readily understand Exploring the mythic nature of writing by considering where the connections between instinct and art are made and where the writer is also seen as a mythic adventurer is a way of finding close links to what it is we demand from literature which is again something to do with the essences of human nature Further in the course of examining the nature of myth Adrian May provides a very practical guide to the aspiring writer whether in a formal course or working alone on how to write stories myths of their own from how to begin how to develop and how to close

The History of Morris Dancing, 1458-1750 John Forrest, 2025-01-01 Morris dancing one of the more peculiar of the English folk customs has been greatly misunderstood In *The History of Morris Dancing 1458 1750* John Forrest analyses a wealth of evidence to show that Morris dancing does not as is often assumed have pagan or ancient origins He examines early documentation to draw Morris traditions into the wide area of communal custom and public celebrations showing the passage of dance ideas between groups previously considered folklorically distinct Careful detailed and encyclopaedic *The History of Morris Dancing 1458 1750* is an essential reference work for specialists in English drama and social historians of the period as well as offering fascinating insight for those who enjoy Morris dancing

Brand's Popular Antiquities of Great Britain John Brand, 1905

Shakespeare's Hobby-Horse and Early Modern Popular Culture Natália Pikli, 2021-08-26 This book explores the ways in which the early modern hobby horse featured in different productions of popular culture between the 1580s and 1630s Nat lia Pikli approaches this study with a thorough and interdisciplinary examination of hobby horse references with commentary on the polysemous uses of the word offers an informative background to reconsider well known texts by Shakespeare and others and provides an overview on the workings of cultural memory regarding popular culture in early modern England The book will appeal to those with interest in early modern drama and theatre dramaturgy popular culture cultural memory and iconography

Popular History of England Charles Knight, 1857

The Popular History of England Charles Knight, 1857

History of Christmas Food and Feasts Claire Hopley, 2009-10-05 A celebration of Yuletide food through the centuries This mouthwatering book celebrates classic Christmas stories and their food and feasts Each chapter covers a different era and the important foodie tales of time including Sir Gawain and the Green Knight Jane Austen s festive celebrations and Christmas with Dickens Claire Hopley rediscovers the joys of literary Christmases and the meals enjoyed by classic

characters including Harry Potter's Christmas at Hogwarts with its impressive display of food his first ever feast after years of being neglected and the Grinch's failed attempt to ruin Christmas by stealing the Who pudding in Dr. Seuss's children's tale *How the Grinch Stole Christmas*. With 40 must-try Christmas recipes including a pork pie inspired by the one Pip gave to Magwitch in Charles Dickens's *Great Expectations* a Christmas Pudding recipe like those described in Anthony Trollope's *Orley Farm* as well as a turkey curry based on Helen Fielding's *Bridget Jones's Diary* this book is the perfect gift for people who love Christmas its traditions and its foods as well as a must-buy book for foodie booklovers who want to know more about Christmas feasts in their favorite tales

Ritual Imports Claire Sponsler, 2004 Performing conquest the J mezzmatachines dances Selective histories Albany's Pinkster Festival Philadelphia's Mummers and the Anglo-Saxon revival Reinventing tradition Brooklyn's Saint play America's passion plays Medieval plays and medievalist players

Hurricane Katrina in Transatlantic Perspective Romain Huret, Randy J. Sparks, 2014-12-15 There is no such thing as a natural disaster writes Romain Huret in his introduction to this multidisciplinary study of the events surrounding and the legacy of Hurricane Katrina. Though nature produced Katrina's rising waters and destructive winds a vast array of manmade factors shaped the scope of the storm's impact as well as the local and national response to it. In *Hurricane Katrina in Transatlantic Perspective* American and European scholars approach this infamous storm and its aftermath through a variety of disciplines from music to geography to anthropology creating a nuanced understanding of how society reacts to and later remembers times of disaster. Richard Campanella and Romain Huret examine the particular geographical and political mix that set the stage for Katrina's devastation especially among the poorest populations of New Orleans and the Gulf South. Jean Kempf James Boyden Andrew Diamond and Thomas Jessen Adams address the ideological biases and racial stereotypes that infused local and national commentary in the days and weeks after the storm. Finally Bruce Raeburn Sara Le Menestrel Anne M Lovell and Randy J Sparks explore the impact of this powerful tropical event on the city's institutions and cultural organizations. *Hurricane Katrina in Transatlantic Perspective* offers a profound and innovative collection of insights on one of the most significant environmental catastrophes in U.S. history forcing us to examine the cultural actors that transformed a natural disaster into a humanitarian crisis

Faiths and Folklore William Carew Hazlitt, 1905

Christmas Tara Moore, 2014-09-15 Black Friday The War on Christmas Miracle on 34th Street and Elf From shopping malls and Fox News to movie theaters Christmas no longer solely celebrates the birth of Christ. Considering the holiday in its global context Christmas journeys from its historical origins to its modern incarnation as a global commercial event stopping along the way to look at the controversies and traditions of the celebratory day. Delving into the long story of this unifying but also divisive holiday Tara Moore describes the evolution of Christmas and the deep traditions that bind a culture to its version of it. She probes the debates that have long accompanied the season from questions of the actual date of Christ's birth to frictions between the sacred and the secular and discusses the characters associated with the holiday's celebration including Saint

Nicholas the Magi Scrooge and Krampus She also explores how customs such as Christmas trees feasting and gift giving first emerged and became central facets of the holiday while also examining how Christmas has been portrayed in culture from the literary works of Charles Dickens to the yearly bout of holiday films television specials traditional carols and modern tracks Ultimately Moore reveals Christmas s longevity has depended on its ability to evolve Packed with illustrations Christmas is a fascinating look at the holiday we only think we know **Popular Antiquities of Great Britain** John Brand, Sir Henry Ellis, William Carew Hazlitt, 1905 *The Golden Bough: A Study in Magic and Religion (Third Edition, Vol. 09 of 12)* James Frazer, 2021-12-02 *Transactions and Proceedings* Birmingham and Warwickshire Archaeological Society, 1901
