Losing Jessica:

Losing Jessica Robby DeBoer, 1994 Beyond the headlines Losing Jessica is Robby DeBoer's personal and very moving account of the battle to keep her baby daughter On August 2 1993 Robby and Jan DeBoer were forced to give up the little girl that they had raised since infancy for two and a half years In a decision that shocked the entire country the courts ruled that Jessi DeBoer was to be taken from the only parents and the only home she had ever known and given back to the biological parents who were virtual strangers to her How do you say goodbye to your daughter Losing Jessica is more than the story of a court battle This is Robby's own story of the hopes and dreams with which she and Jan began their marriage and of the tremendous struggles that followed Robby eloquently describes what it was like to meet her daughter for the first time after years of trying to adopt We feel her elation at the moment when she and Jan are awarded custody of the baby at the termination hearing and we feel her pain and distress when she learns that the man who had signed the adoption papers might not be Jessi's biological father after all Robby's story highlights the complications and inequities of a legal system that places the biological rights of birth parents above those of the adoptive parents and makes decisions without regard to the best interests of the child Above all Losing Jessica is the story of a mother's unequivocal love for her child the strongest most compelling and most unbreakable human bond of all BOOK JACKET Title Summary field provided by Blackwell North

America Inc All Rights Reserved **The Sullivanians** Alexander Stille, 2023-06-20 FINALIST FOR THE 2024 GOTHAM BOOK PRIZE The devolution of the Sullivan Institute from psychoanalytic organization to insular radical cult In the middle of the Ozzie and Harriet 1950s the birth control pill was introduced and a maverick psychoanalytic institute the Sullivan Institute for Research in Psychoanalysis opened its doors in New York City Its founders Saul Newton and Jane Pearce wanted to start a revolution one grounded in ideals of creative expression sexual liberation and freedom from the expectations of society and the revolution they felt needed to begin at home Dismantling the nuclear family and monogamous marriage would free people from the repressive forces of their parents In its first two decades the movement attracted many brilliant creative people as patients the painter Jackson Pollock and a swarm of other abstract expressionist artists the famed art critic Clement Greenberg the singer Judy Collins and the dancer Lucinda Childs In the 1960s the group evolved into an urban commune of three or four hundred people with patients living with other patients leading creative polyamorous lives But by the mid 1970s under the leadership of Saul Newton the Institute had devolved from a radical communal experiment into an insular cult with therapists controlling virtually every aspect of their patients' lives from where they lived and the work they did to how often they saw their sexual partners and their children Although the group was highly secretive during its lifetime and even after its dissolution in 1991 the noted journalist Alexander Stille has succeeded in reconstructing the inner life of a parallel world hidden in plain sight in the middle of Manhattan Through countless interviews and personal papers The Sullivanians reveals the nearly unbelievable story of a fallen utopia **Remarriage: His Billionaire Ex-wife** [Part VIII]

H.D.Cynthia, Will you re marry me He asked lying on the hospital bed after surviving an attempted murder Yes A thousand times She nodded with tears in her eyes Jessica had dreamed of this moment for more than 10 years She had had a crush on Lucas at 14 when he saved her from a group of gangsters Eight years later she married him despite all opposition from her parents and friends But Lucas chose to save and defend another woman rather than her in face of danger Sick of this toxic marriage Jessica decided to leave and embark on the journey of vengeance Three months later she came back as a billionaire CEO instead of that country girl in his eyes

Mind Games J.E. Taylor,2018-10-31 Chris Ryan doesn't understand why he's alive He should have died in the prison he and his stepbrother created Dying screams and the ring of gunshots still haunt his dreams and to make matters worse five years hasn't erased his passion for Jessica Connor She left him bleeding on the cold concrete floor escaping the prison that held her for close to a year Semi-conscious and close to death his gaze fell on an apparition of her son White light filled his skin healing his wounds and giving him a second chance and to this day that power still rages within him Haunting visions of her daughter's death drive him out of hiding and he shows up at her doorstep with the intent of giving her the power to save her cancerous daughter The power he safeguarded all these years But his good intentions fall short when they realize he led the vengeful spirit of his stepbrother straight to her Cancer is no longer their biggest worry Now Chris and Jessica must battle a ghost hell bent on destroying all of them

Echoes of Elsewhere D. M. Gurno,2024-08-31 When Sarah discovered her ability to shift realities she became the key to saving the multiverse Teaming up with Ethan and Zack seasoned veterans of interdimensional travel Sarah embarks on a heart-pounding adventure through collapsing worlds With each jump they edge closer to the source of the destruction witnessing the eerie remnants of realities on the brink of oblivion But new realities bring new dangers from rogue Anchors to alternate versions of people she thought she knew Sarah must push her powers to the limit learning to adapt and trust herself in the face of the unknown As they navigate the ever-changing landscapes of the multiverse they unravel clues pointing to a mysterious force behind the collapse Can this trio of Anchors find a way to stop the destruction and restore balance to the multiverse or will they become the last remnants of a forgotten existence Their quest will take them to the very limits of reality and force Sarah to confront the true depths of her abilities The fate of infinite worlds rests on their shoulders and the clock is ticking

How Far Would You Go? Daniel Alan,2023-08-04 Luke and Jessica have the perfect life They're happily married and are about to have their first child When those closest to Luke start tragically dying his life begins to unravel Struggling with loss Luke has to face the truth that a killer is hunting those closest to him Searching for answers he learns a horrible truth With Luke fighting for his life and trying to prevent others from being killed the pressure mounts But how can he fight an unseen enemy and how far is he willing to go

Relationships over Rules David Hoffman,2023-08-01 Your path to purpose begins with people Relationships We know that we need them but busy schedules financial pursuits and self-serving agendas often distract us from the people God has placed in our lives Overcoming a childhood that lacked true relationships CEO David Hoffman
