The Native American Story Book Volume Three Stories of the American Indians for Children G.W. Mullins,2018-02-06 Through storytelling the rich history of the Native American tribes is alive and well today It has been shared and preserved and still pays tribute to fallen heroes of the past It is through these glimpses into the past and these stories much like the ones that are contained in this book that you can see what a proud heritage they possess and how in tune with the Earth Native Americans really are With this book I hope you understand the Native American people a little better and understand where they have come from and what they can offer the world By exploring these stories I offer you a glimpse into an often forgotten past Included in this book are the

stories The Song of Hiawatha Iktomi and the Muskrat The Boy and the Turtles The Arrow Chain The Toad and the Boy The Sparrow Hawk and the Grasshoppers Origin of the Groundhog Dance The Eye Juggler The Tree bound The Sun Snarer How the Rattlesnake Learned to Bite The White Trail in the Sky The Pet Donkey The Enchanted Horse The Story of the Peace Pipe The Raccoon and the Crawfish Splinter Foot Girl Creation of Man The Orphan and the Owl Coyote and Sun The Children of Cloud Iktomi s Blanket Why the Apaches are Fierce and many many more **Finding List of English Prose Fiction in the Chicago Public Library** ,1911 Emotional Structure, Creating the Story Beneath the Plot Peter Dunne,2007 The leap from concept to final draft is great and the task is filled with hard work and horrors It is here that most writers struggle to get the plot right at the expense of the story s real power The result is a script that is logical in every way yet unmoving Emotional Structure by Emmy and Peabody Award winning producer writer and teacher Peter Dunne is for these times when the plot fits nicely into place like pieces in a puzzle yet an elemental terribly important something remains missing The missing piece won t be found by adding action you can t stir the soul with a car chase And the problem won t be helped by a change of location the only location that matters is deep in your protagonist The solution is to pay constant attention to the inseparable nature of plot development and emotional development When you create any scene whether it s a police pursuit on the interstate or a heart to heart in the kitchen the emotional reasoning behind the scene has to be evident When you develop the emotional current that sustains the action you create a scene with heart and soul and you and your viewers are going to feel the passion
