Days or Less ALBAN COLE,2025-05-06 Rewrite your story and break free from the painful cycle of codependency Open a new chapter where you can live as the complete and authentic version of yourself embracing self discovery empowerment and independence Are you constantly seeking approval bending over backward to meet the needs of others even at the expense of your own well being Do you often neglect your own desires and boundaries in the process If your answer is yes then you may be exhibiting codependent behavior in one or more types of relationships in your life The main sign of codependency is consistently elevating the needs of others above your own In reality it presents a spectrum of pains and scars that run deep beneath the surface It can manifest in various relationships whether with a partner family member friend or coworker It thrives in environments where there is an imbalance of power emotional instability or a history of dysfunctional relationship dynamics Codependency is a challenging cycle of give and take and the only way out is through profound emotional healing personal growth and transformative change This book serves as your guiding light through the shadows of codependency offering insights practical strategies for coping and emotional intelligence and empathetic support so you can break free from its grip By exploring the roots of codependent behavior and providing actionable steps toward building healthier relationships this book will help you reclaim your autonomy and foster genuine connections based on mutual respect and trust Here is just a fraction of what you will discover within A step by step guided journey to the complete you rediscovering the love you have for yourself The spectrum of codependency understanding the different ways it manifests in life and relationships Exercises for self reflection how to rediscover your needs and desires and foster a deeper connection with yourself How to master the art of unconditional self love so you can bring your complete self to relationships The paradox of people pleasing and why external validation is a honey trap here s a secret people pleasing pleases no one How to set and maintain wise and healthy boundaries in all areas of your life at home at work and in various social scenarios The key to healthy relationships how to write a new language of love for yourself and the people in your life And much more This book understands that change isn t easy especially when you ve given too much for too long It addresses breaking unhealthy habits building trust healing from trauma and enhancing mental health It s easy to say Just assert your wants and needs but taking action is an entirely different mountain to climb This book will help you find the inner strength and will you need to take action and combat codependency This is your sign to end the cycle Step out of the shadows of codependency and live your best most authentic life Scroll up and click the Add to Cart button right now *Seeds of Deception* Georgiana Preskar,2004-06-14 Is the foundation of America sinking into a humanist philosophy Are American values and mores struggling for survival Are the voices of authority and discipline disappearing into an abyss of political correctness Is compromise the mission statement of our schools families churches and communities Do you still ask yourself How did Hitler win the minds of the people Mind Control is a living rapidly expanding force in our world today Nazi Germany had their Hitler Youth the Middle East has their Madrasas and America has its SEED Program SEED is uncompromising in reaching

grasping and catching all who enter its domain It is quiet and secretive giving love and acceptance to those who give up traditional values and morals The journey of one woman asking why discovers mind control of our American youth Only worse its mind control that begins with parents teachers businesses church leaders and the communities in which we live Read compelling evidence of slow methodical ways our Country is manipulated into transformation by SEED programs behind closed doors Learn the truth behind Seeds of Deceptions manipulative agents causing destruction of our most prized possessions our children and grandchildren

The Paranoia Switch Martha Stout, 2025-06-25 On September 11 2001 the Fear Switch in our brains got flicked How do we turn it off and reclaim our lives Five years after September 11 we re still scared And why not Terrorists could strike at any moment Our country is at war The polar caps are melting Hurricanes loom We struggle to control our fear so that we can go about our daily lives Our national consciousness has been torqued by trauma in the process transforming our behavior our expectations our legal system In *The Myth of Sanity* Martha Stout who until recently taught at the Harvard Medical School analyzed how we cope with personal trauma In her national bestseller *The Sociopath Next Door* she showed how to avoid suffering psychological damage at the hands of others Now in *The Paranoia Switch* she offers a groundbreaking clinical neuropsychological and practical examination of what terror and fear politics have done to our minds and to the very biology of our brains In this timely and essential book Stout assures us that we can interrupt the cycle of trauma and look forward to a future free of fear only by understanding our own paranoia and what flips the paranoia switch

Claiming Value Alena Wolflink, 2022-09-08 Value is typically theorized from the frameworks of economic theory or of moral ethical theory but we need to instead think about value foremost as political Alena Wolflink uncovers a tension in value discourses between material and aspirational life As she shows erasing this tension as has been the historical tendency can entrench existing configurations of power and privilege while acknowledging the tension is a vital part of democratic practice Using genealogical conceptual historical and interpretive approaches and drawing from such diverse sources as Aristotle Anna Julia Cooper Michael Warner Alicia Garza and Patrisse Khan Cullors Wolflink argues that abstractions of value discourse in both economic theory and moral philosophy have been complicit in devaluing the lives of women queer people and people of color Yet she further argues that value claims nonetheless hold democratic potential as a means of asserting and defining priorities that center the role of political economy in the making of political communities With many real world examples vividly portrayed *Claiming Value* is an unusually accessible work of political theory accessible to students in courses on political theory moral philosophy social theory economic theory democracy social inequality and more

The journey to sobriety is not an easy one. It is a path fraught with challenges, setbacks, and moments of doubt. But it is also a path filled with incredible potential for growth, transformation, and the discovery of a life beyond addiction. This book was written with the hope of providing individuals struggling with alcohol addiction the tools, knowledge, and inspiration they need to navigate their recovery journey. My own experiences with alcohol addiction and witnessing the struggles of others have deeply informed this work. I understand the pain, the shame, and the overwhelming feeling of being trapped. I also understand the hope, the resilience, and the remarkable capacity for healing that resides within each of us. **Breaking Free from Alcohol** is more than just a guide to sobriety; it is an invitation to rediscover yourself, to embrace your true potential, and to build a life filled with purpose, meaning, and joy. This book will provide you with practical strategies, emotional support, and a clear roadmap to recovery. It will help you understand the complexities of addiction, develop healthier coping mechanisms, build strong support systems, and ultimately break free from the chains of alcohol dependency.
