Bolender, 2010-09-17 What is the role of events when evaluating the long term significance of the archaeological record Given that the event is a key mechanism for structural change are historical transformations always eventful And what is the relationship between specific events and other temporalities of change In this notable volume researchers from Germany to Iceland to New York from across the sweep of European and North American prehistory and history explore the promise and challenges of events the potent intersections of history and archaeology Of special interest are the potential of events for better understanding volcanic disasters the Neolithic argonauts of the western Mediterranean Roman provincial archaeology early Neolithic southern Britain change during the Paleolithic era the Iron Age Heuneburg Mud brick Wall colonial New York and households Indispensable for historians archaeologists and those ethnohistorians and anthropologists working within a long term historical framework Eventful Archaeologies offers a more holistic and richly textured approach for comprehending cultural change **Race Against Time** W.M Wiltshire, 2019-09-23 At last the final installment in the NEXT TIME series is here Professor Quinn Delaney has proven time travel is possible but at what cost His children have vanished His wife is in danger And he s been left for dead Closer than ever to getting his hands on Quinn s remarkable invention Richard manipulates everyone to fill the shoes of the man he betrayed When the determined Quinn breaks out of his subterranean prison he vows to put a stop to Richard s plan failure is not an option Quinn must bring his children back home if it s not too late In the meantime Dani and Daric barely avoid capture in a brutal civil war by tumbling into yet another time period Seeking shelter in a small Roman town the twins soon realize they are standing in the shadow of a sleeping giant In a last ditch effort to jump into another period and escape certain death Dani and Daric discover they just may have run out of time In the breathtaking final novel of NEXT TIME series join the Delaney family in their frantic RACE AGAINST TIME They ve made it this far but can they reunite before time runs out for good Fodor's The Amalfi Coast, Capri & Naples Fodor's

**Pompeii's Ashes** Eric Moormann,2015-03-10 Although there are many works dealing with Pompeii and Herculaneum none of them try to encompass the entire spectrum of material related to its reception in popular imagination Pompeii s Ashes surveys a broad variety of such works ranging from travelogues between ca 1740 and 2010 to 250 years of fiction including stage works music and films The first two chapters provide an in depth analysis of the excavation history and an overview of the reflections of travelers The six remaining chapters discuss several clearly defined genres historical novels with pagan tendencies and those with Christians and Jews as protagonists contemporary adventures time traveling mock manuscripts and works dedicated to Vesuvius Pompeii s Ashes demonstrates how the eternal fascination with the oldest still running archaeological projects in the world began developed and continue until now

Taylor, David M. Hay, 2020-11-09 On the Contemplative Life is known for its depiction of a philosophical group of Jewish men and women known as the Therapeutae Yet the reasons for their depiction have been little understood In the first commentary on the treatise in English for over 100 years the social cultural and political background of the times in which Philo lived are shown to be crucial in understanding Philo's purposes As Alexandrian Jews were vilified and attacked Philo went to Rome to present the case for his community faced with intense opposition Side stepping direct confrontation Philo here cleverly presents the Therapeutae as the pinnacle of excellence most especially in their communal meal while ridiculing his accusers in a stinging parody of a festive banquet
