Cutter,2006-05-18 Starting with Salman Rushdie s assertion that even though something is always lost in translation something can always be gained Martha Cutter examines the trope of translation in twenty English language novels and autobiographies by contemporary ethnic American writers She argues that these works advocate a politics of language diversity a literary and social agenda that validates the multiplicity of ethnic cultures and tongues in the United States Cutter studies works by Asian American Native American African American and Mexican American authors She argues that translation between cultures languages and dialects creates a new language that

in its diversity constitutes the true heritage of the United States Through the metaphor of translation Cutter demonstrates writers such as Maxine Hong Kingston Sherman Alexie Toni Morrison and Richard Rodriguez establish a place within American society for the many languages spoken by multiethnic and multicultural individuals Cutter concludes with an analysis of contemporary debates over language policy such as English only legislation the recognition of Ebonics and the growing acceptance of bilingualism The focus on translation by so many multiethnic writers she contends offers hope in our postmodern culture for a new condition in which creatively fused languages renovate the communications of the dominant society and create new kinds of identity for multicultural individuals

Autobiography Light The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography So read on just for fun Reno Beach was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime It had however attained great stature in the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish In his mind a vegetable garden became a wilderness plantation An overturned rowboat became a fortress a pirate s treasure cave or a magician s maudlin mansion A willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for Tarzan Jimmie of the Apes The fact that I m even writing this book belies the fact that the place and that little boy still live if only in my imagination The stories you re about to read are about that small waterfront community just east of Toledo Ohio on the western end of Lake Erie and how it s life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I ve been told that it s good to share your very best I hope you enjoy reading my stories nearly as much as I enjoyed living them The writing s been fun too Some names and places may have been altered to protect the innocent and or the guilty but not many Some may also be changed just because I ve forgotten or don t really know what I m talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad This book is intended to be a Bathroom Book This is not a negative For those unable to grasp this creative terminology I provide the following explanation in the form of a prescription Take in small doses Continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of Preparation H This does not imply that either you the reader or the writer is full of Anything Should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the Reading Room solving the problems of the moment I m sure you understand Enjoy Life is short Don t waste it on seriousness
