Tourism and Politics Peter M. Burns, Marina Novelli, 2007-03-14 Tourism and Politics aims to disseminate ideas on the critical discourse of tourism and tourists as they relate to politics through a series of case studies from around the world written by specialists with an emphasis on linking theory to practice That tourism is a profoundly important economic sector for most countries and regions of the world is widely accepted even if some of the detail remains controversial However as tourism matures as a subject the theories underpinning it necessarily need to be more sophisticated tourism cannot be simply read as a business proposition with a series of impacts Wider questions of politics power and identity need to be articulated investigated and answered While the making and consuming of tourism

takes place within complex political milieux with multiple stakeholders competing for benefit the implications are not fully understood Literature on tourism and politics is surprisingly limited This book will make a substantial contribution to the theoretical framework of tourism Lonely Planet England Lonely Planet, Oliver Berry, Fionn Davenport, Marc Di Duca, Belinda Dixon, Damian Harper, Catherine Le Nevez, Greg Ward, Lorna Parkes, 2019-04-01 Lonely Planet The world's number one travel guide publisher Lonely Planet's England is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Ponder the mysteries of Stonehenge visit Shakespeare's home town and take in a London show all with your trusted travel companion Get to the heart of England and begin your journey now Inside Lonely Planet's England Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sightseeing going out shopping hidden gems that most guidebooks miss Cultural insights provide a richer more rewarding travel experience history people music landscapes wildlife cuisine politics Covers London Newcastle Lake District Cumbria Yorkshire Manchester Liverpool Birmingham Midlands the Marches Nottingham Cambridge East Anglia Oxford Cotswolds Canterbury Devon Cornwall and more The Perfect Choice Lonely Planet's England is our most comprehensive guide to England and is perfect for discovering both popular and offbeat experiences Looking for just the highlights Check out Pocket London Pocket Bath Bristol the Southwest Pocket Oxford the Cotswolds and Pocket The Lake District our small handy sized guides featuring the top sights and attractions for a shorter visit or weekend away About Lonely Planet Lonely Planet is a leading travel media company and the world's number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we've printed over 145 million guidebooks and grown a dedicated passionate global community of travellers You'll also find our content online and in mobile apps video 14 languages nine international magazines armchair and lifestyle books ebooks and more Lonely Planet guides are quite simply like no other New York Times Lonely Planet It's on everyone's bookshelves it's in every traveller's hands It's on mobile phones It's on the Internet It's everywhere and it's telling entire generations of people how to travel the world Fairfax Media Australia Source Nielsen BookScan Australia UK USA 5 2016 4 2017 eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations websites Zoom in maps and images Inbuilt dictionary for quick referencing Important Notice The digital edition of this book may not contain all of the images found in the physical edition *Frommer's?
