What Makes a Social Crisis? Jeffrey C. Alexander,2019-10-16 In this book Jeffrey Alexander develops a new sociological theory of social crisis and applies it to a wide range of cases from the church paedophilia crisis to the MeToo movement He argues that crises are triggered not by objective social strains but by the discourse and institutions of the civil sphere When strains become subject to the utopian aspirations of the civil sphere there emerges widespread anguish about social justice and the future of democratic life Once admired institutional elites come to be represented as perpetrators and the civil sphere becomes legally and organizationally intrusive demanding repairs in the name of civil purification Resisting such repair institutional elites foment backlash and a war of the spheres ensues This major new work by one of the world s leading social theorists will be of great interest to students and scholars in sociology politics and the social sciences generally

The Eternal Pathways of Prophecies Whitney Crosby,2024-12-19 The Eternal Pathways of Prophecies is an enthralling collection of tales that plunges readers into a world where ancient pathways hum with untold futures and the very fabric of existence is woven with destiny At its heart is Elara a Pathwalker apprentice whose unique connection to Eldoria s Whispering Ways thrusts her into a quest to safeguard the realm s fading prophecies from the encroaching Great Stillness From her daunting initiation trial in the ever shifting Labyrinth of Whispers where illusions test the purity of her heart to journeying into the celestial realms of the Sunstone Citadel and the enigmatic Whispering Isles Elara s path is fraught with both peril and profound revelation She encounters ancient guardians deciphering cryptic warnings from a Spectral Guardian and collaborates with unexpected allies like the astute cartographer Ronan Their shared pursuit of the Forgotten Whisper a hidden melody crucial to reawakening the pathways reveals a deeper understanding of magic music and the interconnectedness of all life The book delves into profound themes of fate versus free will the power of ancient knowledge and the delicate balance between preservation and progress Elara s courage is tested not just by external threats but by the weight of foretold events leading her to discover that true strength lies in a blend of intellect empathy and an unwavering belief in the power of hope The Eternal Pathways of Prophecies is a captivating odyssey that combines intricate world building with a deeply personal journey proving that the most powerful prophecies are those that are not merely read but lived and that the echoes of forgotten melodies can inspire a future far brighter than any foreseen **A Nation in Crisis**

Neville Kirk,2023-10-05 Since the 2007-8 financial crisis and its aftershocks international capitalism has once again been in crisis The crisis has been particularly marked in the UK and its outcome is currently unclear Based upon a wealth of sources from newspapers journals government political party and polling organisation publications as well as archival and secondary material Neville Kirk examines the systemic crisis facing the nations of the UK The book traces the crisis from the period

following the 2016 EU referendum up to 2022 a period during which the crisis intensified and became more widespread Kirk covers the elections of 2017 and 2019 political fragmentation Scottish nationalism Brexit the coronavirus pandemic continuing economic problems and conflicts around class gender race and nation Finally the book considers competing pathways out of the current impasse Through his thorough examination of the UK's main political parties and players Kirk offers the reader a new and original understanding of how we reached the present situation **Mississippi Reports ...**

Being Cases Argued and Decided in the Supreme Court of Mississippi Mississippi. Supreme Court, 1856 The Future of Money Mary Mellor, 2010-04-09 As the recent financial crisis has revealed the state is central to the stability of the money system while the chaotic privately owned banks reap the benefits without shouldering the risks This book argues that money is a public resource that has been hijacked by capitalism Mary Mellor explores the history of money and modern banking showing how finance capital has captured bank created money to enhance speculative leveraged profits as well as destroying collective approaches to economic life Meanwhile most individuals and the public economy have been mired in debt To correct this obvious injustice Mellor proposes a public and democratic future for money Ways are put forward for structuring the money and banking system to provision societies on an equitable ecologically sustainable sufficiency basis This fascinating study of money should be read by all economics students looking for an original analysis of the economy during the current crisis *The Conceit of Humanitarian Intervention* Rajan Menon, 2016 The Conceit of Humanitarian Intervention rejects on political legal ethical and strategic grounds the widespread claim that military force can be used effectively and on the basis of a universal consensus to stop mass atrocities As such it is an against the current treatment of an important practice in world politics *Analytical Index-digest of Georgia Reports* Howard Van Epps, John W.
