IN THE HEART OF DARKNESS

A photograph of a person standing on a snowy mountain peak, looking out over a vast, dark blue ocean under a cloudy sky. The person is silhouetted against the bright snow. The ocean is dark and turbulent, with white foam visible on the waves. The sky is a deep blue with some clouds.

Lost Souls Finding Hope In The Heart Of Darkness:

Lost Souls Niles Elliot Goldstein, 2002 These days it is no longer just adolescents who feel that the universe is falling apart In *Lost Souls* Niles Goldstein writes of the chaos and fear so many of us experience in our public and private lives and makes it clear that we are not nor have we ever been alone in our angst To illustrate the different stages we often encounter when we feel lost whether the trigger for our disorientation and despair is the loss of a loved one or a job or the result of an injury or depression Goldstein interweaves contemporary stories of men and women he has met through his work as a rabbi and a law enforcement chaplain with those of biblical figures such as Cain David and Bathsheba Samson Tamar and several of the prophets As in his last book *God at the Edge* Goldstein explores the shadow side of the human condition His accounts are often disturbing but his insights are always inspiring What he brings us is a message of particular relevance today namely that a journey through the wilderness be it emotional existential or geographical is a transformative and strengthening process even though it may not seem so at the time In chronicling the stories of survivors who have traveled through perilous and at times unexplored territory Goldstein not only shows us how to face the challenges of being human he also delivers a promise of meaning direction and hope in our lives

The Challenge of the Soul Rabbi Niles Elliot Goldstein, 2009-08-18 In times of upheaval many of us seek guidance from a spiritual mentor someone who has confronted challenges and become a stronger person as a result Here Rabbi Niles Elliot Goldstein draws from his own hard won insights and personal experiences as a congregational rabbi martial artist FBI chaplain and limit pusher and interweaves them with the teachings of sages biblical figures and thinkers of all stripes to help us get beyond our own perceived limitations and face life's challenges with fearlessness and fortitude Goldstein identifies eight essential qualities that he believes we must cultivate to live a life of self empowerment and then uses a programmatic approach to explore these qualities and the ways we can develop them in ourselves Rabbi Goldstein is known for challenging himself physically mentally and spiritually He counseled law enforcement officers at Ground Zero has traveled to numerous remote and inhospitable places to learn and teach and has sought out difficult experiences to rigorously test himself and the meaning of his faith

Make No Sense Mark Barrett, 2024-08-25 Many times in life the unexpected happens to us or to someone else, and many times it is a tragic incident. In 2017, our youngest son took his own life. It was unexpected. It was a complete surprise. To us, he seemed to be living a full God-honoring life. How do you explain such a tragedy? How do you explain that unexpected tragedy in your life? There is a reason for that, which is explained in the Bible. This book will help you make sense out of things which ordinarily in your human understanding makes no sense. Using the Bible as our guide, we will pull back the curtain of the unexpected and find not only answers but hope that will help you to cope with your shock and grief. This book contains answers to questions about life's incidents and tragedies we can't explain in human terms. We will draw the curtain back on God's perspective and plan and the spiritual warfare that is at play in all our lives. We cannot always see behind the scenes when events happen, but this book will give you hope and healing in knowing that God is in control and has a plan in it all.
