Ultimate Inspiration-God's Plan of Love Effie Darlene Barba,2012-06-01 Ultimate Inspiration Gods Plan of Love begins with the question What is Mans Purpose on this Earth It delves deeply into mankind's search for meaning and inspiration in this life Religions philosophers scientists and even the atheists continue on this search for a purpose for man and why evil exists This book deals with the hard questions and proposes a logical answer to both mans questions and mans dilemma It step by step breaks down the answers to many of the questions that the modern day church tries to avoid presenting the truths found within the Bible in such a way as to make it simple to understand and at the same time even answer those questions raised by the agnostics and atheists This book deals with the question of evil justice Gods

righteousness and most of all Gods desire to share in His Joy and His love It is a must read for anyone who has ever asked the questions Why do I exist and or What is my purpose in life **Perversion of Love** Crystal Wright Adams,2021-06-10

Perversion of Love aims to explore the reasons why we as Christians may struggle to love ourselves and others through the lens of what Dr Gary Chapman defined and what has been accepted by popular culture as the five love languages Christians have been given a Great Commission which is to spread the Gospel and make disciples The method by which we fulfill this commission is the greatest commandments to love God and love our neighbors as ourselves God created us to love but we have an enemy whose goal is to destroy everything that God created and his favorite method of destruction is perversion the distortion corruption or alteration of a thing from its original course or design So it makes sense that our enemy would seek to pervert the way we love ourselves and others in his attempt to stop the spread of the Gospel So how does this perversion take place I believe the enemy attacks us through our primary love language s and uses our very own parents as unwitting and sometimes witting participants to carry out his plan Since we all receive love differently the enemy will attack us in different ways but there are some common tactics he uses depending on our love language If we can learn to recognize the enemy s tactics for what they were are we can start the process of breaking the cycle of perversion in our lives and the generations to come In doing so we can learn to fully love God ourselves and others and we will fulfill the purpose for which we were designed **The Empire Song Book** Cumberland Clark,1924 **Love of a Child Sorrow of a Woman** Anne Musoke,2014-01-13

In this particular book Annes writing leans largely towards explorative ideas and experiences of love Anne is someone who believes deeply in love and often says to friends family and colleagues that when a person finds love and is able to give and share it freely as well as receive it wholly while protecting it and treating it with honour and respect it is then that one has truly found their purpose in life This is because love is the driving force behind all we do as humanity Anne was fortunate enough to find a true love in her life at a young age and unfortunately that true love also at some point turned into true pain through various incidents within the relationship Anne was left alone to wonder about the high price that one may pay for love Over a period of years Anne began to write and keep her feelings and musings and these all culminate into the collection of poetry in Love of a child Sorrow of a woman After years of working in the mainstream employment field Anne has now taken residence in a quiet peaceful town where she spends her time reading and writing and sharing her life with others in the form of her poetry in the hope that it will bring as much healing joy laughter and introspection to the reader as it did the writer

The Light of Divine Altruistic Love Ridley Stevens,2021 Purity is a condition of the soul that implies divine grace has been acknowledged and further has been granted with this condition of light not having any relationship with the darkness of evil The angels the cherubs the seraphim are pure with this status enabling them to see the face of the Almighty Angels are spirits of light the spirit begotten children of the Father of lights messengers of the spirit of mercy faithfulness truthfulness forgiveness optimism and joy that impart a language of service by

means of the spirit of altruism where the strong serve the weak to all who are to inherit paradise and salvation Since the faithful angels are pure spirits the Father is a pure spirit a Holy Spirit being undefiled and therefore all that is in him are the spirits of selfless love of selfless justice of selfless power and of selfless wisdom which all shine as radiant light opposing and exposing the spirits of evil which are selfish love selfish justice and selfish wisdom It follows then that the Father of lights having no sharing with evil does not punish anybody for anything at all but only protects guides supports and disciplines but never punishes not even those that stand firmly as enemies and adversaries The Father has no hatred indifference bitterness or enmity in His heart towards anyone but has a heart that vibrates with purity and affection God is Love
