

! Love's Perfection

**Oh I am so fortunate.
In the past and in the present.**

**We fell in love, and loved
and it was total
and unexpected
and revelatory
and unique, of course
and consuming
and falling in love with the whole world too
and with life itself
and a compass
and the possibility of a map
and lacked nothing**

and was everything.

**And it was so perfect
that now
when I see your double around the town
who looks just like you
and was you**

**there is no need for nostalgia
or regrets
or how-it-might-have-been-if
or even self-congratulation
because it was so complete
and completed.**

**I am so fortunate.
I would like to think
(for we talk, easily, but never of the past)
that it is the same for you**

**for that way, completeness is doubled
and something, perhaps
given to the world.**

We are so fortunate.
