Love Thoughts Over Latte:

Love, Lattes and Mutants Sandra Cox, 2015-02-17 Finding love is hard even when you aren't a mutant. Like most seventeen-year-olds, Piper Dunn wants to blend in with the crowd. Having a blowhole is a definite handicap. A product of a lab-engineered mother with dolphin DNA, Piper spends her school days hiding her brilliant ocean-colored eyes and sea siren voice behind baggy clothing and ugly glasses. When Tyler, the new boy in school, zeroes in on her, ignoring every other girl vying for his attention, no one, including Piper, understands why. Then Piper is captured on one of her secret missions rescuing endangered sea creatures and ends up in the same test center where her mother was engineered. There she discovers she isn't the only one of her kind. Joel is someone she doesn't have to hide from, and she finds herself drawn to the dolphin boy who shares her secrets. Talking to him is almost as easy as escaping from the lab. Deciding which boy has captured her heart is another story. 63,486 Words

Love and Lattes Karis Walsh, 2023-01-10 Bonnie James has built her life around her passions: cats, coffee, and community. She rejected her family's narrow visions of success and instead chose the non-lucrative, fur-filled life of a cat caf owner. So what if her decision means she works way too much to have time for true love? She has plenty of friends and cats to keep her company. Wedding planner Taryn Ritter has a knack for making impossible dreams come true. She might not understand the appeal of getting married in a cat caf, but if that's what her clients want, then she'll make it happen. She's not about to let the reluctant caf owner stand in her way, so she makes Bonnie an offer she can't refuse: give her the venue for one day, and she'll find a way to get more cats adopted into happy homes. When Bonnie and Taryn join forces to help a bunch of shelter cats find their forever homes, they just might discover forever for themselves as well.

Love & Lattes Beth Reekles, 2024-10-22 From the author of the bestselling phenomenon *The Kissing Booth* comes another sizzling story about an overachieving girl who unknowingly kisses the one guy she shouldn't the night before her new internship begins. One summer internship. Two complete opposites. And a connection neither expected. Annalise Sherwood has worked herself to the bone to get a place on a prestigious internship program, and nothing is going to stop her now. Work hard, play later—that's her motto. She figures one night letting her guard down won't hurt, though especially when it ends with the best kiss of her life. But to Anna's horror, she discovers that the mystery guy she kissed that night is none other than Lloyd, the company CEO's son. Born with a silver spoon in his mouth, he's everyone's favorite guy and a total charmer, swanning around like he owns the place. And from the moment they meet again, he rubs Anna up the wrong way. As the summer and the internship wane, on Lloyd seems to be finding any excuse to annoy Anna, and she's not afraid to give it right back to him. But when a lot of late-night working brings them unexpectedly closer, she begins to wonder if there's more to him than she originally thought.
