**Perfect Love, Imperfect Relationships** John Welwood, 2005-12-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives *Perfect Love Imperfect Relationships*

begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world **Better Together Devotional** Carole Lewis,2011-08-17 God created us to worship and serve Him in close community with other people In Better Together a collection of 240 inspirational readings and twelve encouraging testimonies from First Place 4 Health members around the world readers will find encouragement to nurture healthy lasting relationships that bring glory to God and satisfy their deepest needs for fellowship Each month of devotional readings is based around one theme central to enrich community Love Service Patience Fellowship Compassion Encouragement Harmony Forgiveness Honor Godliness Prayerfulness and Obedience Readers will love hearing from everyday people just like them who are wrestling with how to apply God s Word to their lives and seeing Him at work in their relationships **Jaleen** D'Sarah Daniel,2013-04 Jaleen Cole is hesitant to move on with her life The break up of her parents marriage and the failure of her own relationships has made her uncertain about love After spending Christmas with her grandparents her baby brother Brad and his wife Selecia and their baby daughter Alaine she believes she is ready to move on She wants to be happy and she wants to feel whole and safe again Jaleen hopes that the New Year will be her year for love Will it happen Can she trust her heart once again to another Will it work out Only time will tell She must however be willing to take a chance on love in order to find out **Valuing Others in Classical Antiquity** Ralph Rosen,Ineke Sluiter,2010-09-10 How does a discourse of valuing others help to make a group a group The fifth in a series exploring ancient values this book investigates what value terms and evaluative concepts were used in Greece and Rome to articulate the idea that people belong together as a family a group a polis a community or just as fellow human beings Human communities thrive on prosocial behavior In eighteen chapters ranging from Greek tragedy to the Roman gladiators and from house architecture to the concept of friendship this book demonstrates how such behavior is anchored and promoted by culturally specific expressions of evaluative discourse Valuing others in classical antiquity should be of interest to linguists literary scholars historians and philosophers alike **Coquette** George Abbott,Ann Preston Bridgers,1926 Norma Besant daughter of a Southern doctor is an incorrigible flirt and has many boys on
