Lover Of God

Matthew Henry

Lover Of God:

The Love of God John C. Peckham, 2015-07-28 Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world. In this comprehensive canonical theology of divine love, John C. Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness. **Preventing Love: or, God's love to us, the cause of our love to Him. Being a sermon, preached on 1**

John iv. 19, etc Ralph Erskine, 1764 Partners in God's Love John Davey, 2007-04 Written by a retired missionary in the form of a daily devotional, this book combines a lifetime of personal experiences with biblical principles. It covers topics such as patriotic love, brotherly love, love calling children home, love among the ruins, and self-love. Practical Life *The Love of God in China* John Peale, 2005 This well-researched and thorough work presents Chinese Christianity in a way that will lead Christians and others to better understand their faith and China. The Love of God in China examines various aspects related to Christianity in this socialist country, including the status of Chinese Christian churches, the policy of Chinese government for state control of religion, the attitudes of Chinese people towards Christianity, theological perspectives in China, the Chinese perception of religious principles, successful efforts to cultivate Chinese Christianity. Author John Peale objectively presents the competing and conflicting positions of the diverse Chinese Christian groups. As he identifies the challenges faced by Christian individuals and churches in China, he not only suggests resolutions but also proposes what Western Christians could learn from their Chinese family in the faith. Peale explores the ways Christianity can be submerged into Chinese culture.

God's Love In 3-Dimensions Jim McGrew, 2007-03-27 Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us? That is what this book, *God's love in 3 dimensions*, is about. God's love for us and His designed purpose for our lives. Reflecting back over more than forty years of service in the Body of Christ, I have found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and to our personal lives are God's love for us, Our love for God, and Our love for one another. For the success and the life of the Church and for our personal lives, God's love must prevail. *God's Love in 3 dimensions* reiterates the plea of the writings of our Lord's Apostles and the prayer of our Lord for love and unity. The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love. Jesus, our Lord, prayed for God's unity and love for His followers that all of them may be one Father, just as you are in Me and I am in You. I have made You known to them and will continue to make You known in order that the love You have for Me may be in them and that I, Myself, may be in them. John 17:21-26. What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father. The greatness of God's love, joy, and peace fills our hearts, souls, and minds, providing divine direction and assurance as we walk in our Lord's Spirit of love. And what great accomplishments have been made by the body of Christ when our Lord's love and unity prevail among His body members when working together in the directives and spirit of their Lord. What

creates and produces unity with the Heavenly Father within us and within the body of Christ God's love What motivated God's plan of salvation for mankind God's love What power innovated and sustained our Lord and Savior in carrying out God's plan of salvation God's love What would be the greatest and most significant news a person could receive God loves you What is the greatest and most significant news one could ever share with another God loves you What brings unity and peace within our individual selves and the Lord's Church The knowledge the receiving and the expression of God's love This book is written through the spiritual desire to glorify and praise the Triune God Head for their love A Divine Cordial: or, the transcendent privilege of those that love God, etc Thomas WATSON (Rector of St. Stephen's, Walbrook.),1830 **The Fortnightly** ,1911 **An Exposition of All the Books of the Old and New Testaments: ...** ,1810 Becoming Two in Love Roland J. De Vries,2013-07-25 This book draws Soren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference The Message of Love Patrick Mitchel,2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel's conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5:6 NIV Mitchel's exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church's calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible's teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible's unified teaching on this vital theme can impact your life today *Exposition of the Old and New Testament* Matthew Henry,Samuel Palmer,1831 *On Self-Harm, Narcissism, Atonement, and the Vulnerable Christ* David Vincent Meconi,2019-11-14 On Self Harm Narcissism Atonement and the Vulnerable Christ explores St Augustine of

Hippo's theology of sin described as various forms of self loathing and self destruction in addition to sin's antidote a vulnerable relationship with the crucified Christ Incorporating recent thinking on self destruction and self loathing into his reading of Augustine David Vincent Meconi explores why we are not only allured by sin but will actually destroy ourselves to attain it even when we are all too well aware that this sin will bring us no true lasting pleasure Meconi traces the phenomena of self destruction and self loathing from Augustine to today In particular he focuses in on how self love can turn to self harm and the need to provide salvage for such woundedness by surrendering to Christ showing how Augustine's theology of sin and salvation is still crucially applicable in contemporary life and societies
