Loves Deception:

Works of Love Søren Kierkegaard, 2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early *Either Or* through *The Diary of the Seducer* and *Judge William's* eulogy on married love to his last work on the changelessness of God's love *Works of Love* the midpoint in the series is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love Love as feeling and mood is distinguished from works of love love of the lovable from love of the unlovely preferential love from love as the royal law love as mutual egotism from triangular love and erotic love from self giving love This work is marked by Kierkegaard's Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action Written to be read aloud the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding *Works of Love* not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings

Legacy of Emotional Conflict Judi McDowell, 2012-04 Where does a child whose instincts have been destroyed learn to become a loving parent and sane trusting human being who feels equal and worthy in life How does she erase the past and begin anew Counseling retrains the brain yet instinct dominates the thought process depending on the emotions current in any given moment Child abuse is a lifetime struggle from within as well as out It second guesses every aspect of life When things feel right joyful and just the abused soul is the most fearful and ready to deny and reject True freedom and peace may be desired desperately but is rejected for what is familiar what was the normal and the expected from life in the soul of the abused

Faith under Fire: Vanities, Fantasies, Mutiny and Psychedelic Entrapments Riaan Engelbrech, 2023-01-20 Written in these pages is not doctrine or dogma It is neither intended as an in depth history nor a philosophical lesson This is but a burning cry for the true Bride to awaken from her slumber to reflect on times gone past and to consider her foundations We need to wake up for today's new brand of Christianity is a different gospel and is targeting thousands of the younger generation with a so called hip cool experiential spirituality much of which is embracing a form of mysticism and ecumenical philosophy of uniting people from all faiths to work together and bring about a new world of peace and harmony

IDIOT LOVE and the Elements of Intimacy David Stromberg, 2020-05-05 This book turns our search for intimacy on its head suggesting that our way to creativity in love may

be through idiocy The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat Revisiting core concepts of how we think about relationships the book lays out a model for relational breakdown the idiot lovecycle in which we are constantly in the flux between seeing ourselves and seeing the other Effecting close readings of literary philosophical and psychoanalytical sources the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy suggesting that the tension between Narcissus and Cassandra with its inherent conflicts is also the space through which love emerges from intimacy

Love Analyzed Roger Lamb, 2018-02-20 Philosophers have turned their attention in recent years to many previously unmined topics among them love and friendship In this collection of new essays in philosophical and moral psychology philosophers turn their analytic tools to a topic perhaps most resistant to reasoned analysis erotic love Also included is one previously published paper by Martha Nussbaum Among the problems discussed are the role that qualities of the beloved play in love the so called union theory of love intentionality and autonomy in love and traditional issues surrounding jealousy and morality

Love and Lies Clancy Martin, 2015-02-03 A provocative and unsettling look at the nature of love and deception Is it possible to love well without lying At least since Socrates s discourse on love in Plato s Symposium philosophers have argued that love can lead us to the truth about ourselves and the ones we love But in the practical experience of erotic love and perhaps especially in marriage we find that love and lies often work hand in hand and that it may be difficult to sustain long term romantic love without deception both of oneself and of others Drawing on contemporary philosophy psychoanalysis and cognitive neuroscience his own personal experience and such famed and diverse writers on love as Shakespeare Stendhal Proust Adrienne Rich and Raymond Carver Clancy Martin himself divorced twice and married three times explores how love truthfulness and deception work together in contemporary life and society He concludes that learning how to love and loving well inevitably requires lying but also argues that the best love relationships draw us slowly and with difficulty toward honesty and trust Love and Lies is a relentlessly honest book about the difficulty of love which is certain to both provoke and entertain
