

Loves Sweet Song

Loves sweet song sings to me
when you look in my direction.
Your beautiful eyes and shining smile
mean the universe to me.

They tell me of all the love you hold,
and my heart bursts with joy
for the love I feel inside.
Loves sweet song is you personified.
Come now and take me in your arms
so I can give you the sweetest kiss.

Songs We Love Daniel H. Morrison,1902 **Love-songs of Childhood** Eugene Field,1897 *Catalog of Copyright Entries* ,1945 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1961 **Report** Ocean Grove Camp Meeting Association of the Methodist Episcopal Church,1874 **Heart's Echo** Tost Jane,2024-07-26 Heart s Echo is a beautifully crafted poetry collection by Tost Jane that takes readers on a deeply emotional journey through the intricacies of the human experience Spanning twenty chapters each focusing on a specific emotion or life experience this collection captures the whispers of the heart in a symphony of words From the whispers of love to profound reflections the wisdom of nature and the changing seasons of life each poem resonates with moments and feelings that define our existence This anthology is more than just a collection of poems it is an exploration of the soul and a contemplation of the deeper meaning of life **Love from a Broken Fire Escape** Richard D. Jr. Kydd,Richard Kydd, Jr.,2007-11 In this collection of love poems Kydd has once again captured the essential duality of the human heart and of existence itself The poems range from a celebration of love at first sight and the physical ecstasy of two lovers entwined as one to the despair of having lost love for reasons beyond control or understanding As usual with Kydd s work there is a strong spiritual element with the soul seeking its ultimate fulfillment He presents the union between lovers the mingling of two souls into one as this fulfillment But when love is lost suffering is intense and Kydd also shows this unsparingly Kydd wouldn t be himself without a healthy streak of cynicism and reality In the poem ASK NOT he says simply Never ask Do you love me if you do they don t And although his final poem The Breath of Love is basically positive and romantic a few pages previous when describing his first kiss in COW POKE he can t resist saying No sweeter memory in mind and heart could I fathom to this day Yet in spite of the heightened passion of the moment a thought lingered in my mind ever afterward as sweet as her lips felt that wonderful day of my youth her breath smelled and tasted like sour milk Twice 55 Community Songs Peter William Dykema,1917 **Love, Emotion and Kiss** Bear Brown,2024-02-08 Love Emotion and Kiss is a poetic journey that delves into the intricate tapestry of human experience This collection of poems is a celebration of the myriad emotions that shape our lives from the euphoria of love to the depths of sorrow Through carefully crafted verses it explores the delicate dance of emotions inviting readers to traverse the landscapes of joy sadness anger and of course the intimate and tender moments symbolized by the kiss Each poem within this book is a brushstroke on the canvas of the human heart painting a portrait of the complexities and beauty found within the realm of love and emotion Diprose's Standard Song Book and Reciter. All I Want Is Loving You Steve Bergsman,2023-10-30 In All I Want Is Loving You Popular Female Singers of the 1950s author Steve Bergsman focuses on the white female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s These popular performers many of whom graduated out of the big bands of the 1940s impacted popular music in a huge way As the last bastion of traditional pop and the last sirens of swing they undeniably shined in the spotlight

Yet these singers fame dimmed relatively quickly with the advent of rock n roll A fortunate few like Doris Day Patti Page Peggy Lee and Debbie Reynolds experienced some of their biggest hits in the late 1950s and Eydie Gorm broke out in the 1960s The luckiest including Dinah Shore and Rosemary Clooney ventured to television with varying degrees of success Others would become major attractions at nightclubs in Las Vegas or like Teresa Brewer shift into the jazz world Though the moment did not last these performers were best selling singers darlings of the disk jockeys and the frenetic heartbeat of fan clubs during their heyday In a companion volume Bergsman has written the history of African American women singers of the same era These Black musicians transitioned more easily as a new form of music rock n roll skyrocketed in popularity In both books Bergsman reintroduces readers to these talented singers offering a thorough look at their work and turning up the volume on their legacy
