Loves Wine:

When a Black Man Loves Wine Zachary Marcus Cesare Harris, 2025-04-01 This all basically started as a response to someone who was frustrated at certain repeating scenarios combined with the frustrations I see not only in the world of wine but the U S wine market specifically So what happens when you take an unapologetic Black guy from West Philly West Philadelphia born and raised with a diverse background whose been in many places and spaces that most folks would never imagine who falls in love with wine and learns it from a different perspective from how many are traditionally taught Throw him in a scenario where he then puts a wine deal together and sees both the lies and the truths and realizes he could do it better he just needs the money Then set him on a course that would introduce him to thousands of wines and winemakers taking him to portfolio tastings trade shows and lunches hosted tours and B2B experiences from NY to DC in the United States as well as Italy Portugal and Spain making tons of friends and associates along the way And also uncovering more lies that most people never see That s one way of looking at what has transpired since I first had some wonderful wines that fateful Friday night in 2006 when I went into Panorama Restaurant for a glass of wine not knowing where that would lead me And before I had gotten the idea and inspiration to jump into the industry I could see so many issues within it and so many missed opportunities So these are my thoughts musings analysis critiques experiences and revelations If you want to know about my journey so far this is for you If you look like me and are considering jumping into the wine industry you want to read this one If you are trying to sell wines in the US market or are doing it and could be selling more give this a read You might agree you might disagree you might laugh and you might get pissed off at various parts of this book Honestly you should But let me tell you one very important thing I don t hold back and so you might come away with some different ways of looking at things that you might not have ever considered before *Mommy Loves Wine* Mike Lukaszewicz, 2025-01-28

This humorous board book is perfect for moms who enjoy kicking back with a glass of wine at the end of a busy day More than anyone else Mom needs her me time and that often means a glass of wine at the end of a hectic day *Mommy Loves Wine* is a lighthearted board book for moms that includes rhyming text and whimsical illustrations perfect for inducing a much needed sense of calm and relaxation Author and illustrator Mike Lukaszewicz s unique take on wine and motherhood is sure to bring a smile to every mom s face

The Battle for Wine and Love Alice Feiring, 2009 I want my wines to tell a good story I want them natural and most of all like my dear friends I want them to speak the truth even if we argue says Alice Feiring Join her as she sets off on her one woman crusade against the tyranny of homogenization wine consultants and of course the 100 point scoring system of a certain all powerful wine writer Traveling through the ancient vineyards of the Loire and Champagne to Piedmont and Spain she goes in search of authentic barolo the last old style rioja and the tastiest new terroir driven champagnes She reveals just what goes into the average bottle the reverse osmosis the yeasts and enzymes the sawdust and oak chips and why she doesn t find much to drink in California And she introduces rebel winemakers who are
