Loving A Lowly Stranger:

Loving Leah Nikki Benjamin, 2012-03-15 A LOVE WORTH FIGHTING FOR Years ago Leah Hayes selflessly stepped aside when John Bennett fell for her vivacious stepsister Now the man she still secretly cherished was ravaged by grief and struggling to raise his fragile little girl all alone Unable to deny the lure of this fractured family Leah returned to Montana over her summer break to lend a helping hand Although the brooding widower didn't exactly roll out the welcome mat for Leah their close quarters ignited forbidden passions And as the compassionate schoolteacher provided sweet solace to John's battered soul she saw glimpses of the kindhearted man she'd always loved Could they confront their deepest desires by summer's end or would their hopes and dreams be lost to them forever The Love of Strangers Nile Green, 2020-10-13 How a group of Iranian students sought love and learning in Jane Austen's London In July 1815 six Iranian students arrived in London under the escort of their chaperone Captain Joseph D Arcy Their mission was to master the modern sciences behind the rapid rise of Europe Over the next four years they lived both the low life and high life of Regency London from being down and out after their abandonment by D Arcy to charming their way into society and landing on the gossip pages The Love of Strangers tells the story of their search for love and learning in Jane Austen's England Drawing on the Persian diary of the student Mirza Salih and the letters of his companions Nile Green vividly describes how these adaptable Muslim migrants learned to enjoy the opera and take the waters at Bath But there was more than frivolity to their student years in London Burdened with acquiring the technology to defend Iran against Russia they talked their way into the observatories hospitals and steam powered factories that placed England at the forefront of the scientific revolution All the while Salih dreamed of becoming the first Muslim to study at Oxford The Love of Strangers chronicles the frustration and fellowship of six young men abroad to open a unique window onto the transformative encounter between an Evangelical England and an Islamic Iran at the dawn of the modern age This is that rarest of books about the Middle East and the West a story of friendships **An Atheist's Letters to Heaven** Naimbai Njerakey, 2020-07-13 An Atheist's Letters to Heaven is for seekers of truth and anyone interested in being acquainted with the Christian perspective on modern controversies hotly debated in the media press academia and beyond Moreover the novel is written to assist believers in leading unbelievers to Christ by putting themselves in their shoes and addressing potential objections in an adequate and practical manner It is a journey of an atheist Marawi who is given the opportunity to reconnect with his now deceased friend Melchizedek in Paradise Prior to his passing Melchizedek accepted Jesus Christ as his Savior and pleaded with his friend to do the same to no avail Over the course of their correspondence Marawi asks questions and offers counterarguments based on logic academia and atheism Melchizedek on the other hand offers a heavenly perspective and occasionally refers to the Scriptures history and the realities of life to make his case for the veracity of the Christian faith It is a novel that takes the objections of atheists into consideration and addresses the most common objections raised by non Christians The questions of origin meaning morality

Hesselgrave,2019-09-17 The Lord's Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God's grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God's present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God's plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church *Lady Alice* Jedediah Vincent Huntington,1849 **The Poetical Works of Thomas Moore** Thomas Moore,2024-04-28 Reprint of the original first published in 1845 **Hymns for Christian Devotion** John Greenleaf Adams,Edwin Hubbell Chapin,1843 *The Poetical Works of Thomas Moore* Thomas Moore,1827 **For the Love of Strangers** Brenda Niskala,2010 *Gems of Poetry* ,1880 **The masterpiece library.
