Loving God And A Suffering World:

A Loving God & a Suffering World Jon Tal Murphree,1981 Good God of a Bad World, 2014-02-09 Many Christians at some point wrestle with the guestion If God is all powerful and all loving how can he allow the world to continue as it does filled with suffering and grief How can any Christian hope to make sense of the apparent contradiction of an omnipotent and good God and a broken painful world In Good God of a Bad World author James T Hargreaves wrestles with this question from the perspective of a fully Bible believing Christian and draws some conclusions which might just make you think about **How Could a Loving God?** Ken Ham, 2007-01-01 It really isn t a fair fight is it The finite the guestion in a new light against the infinite The limited against the unlimited Is God indifferent to my suffering How do I resolve this anger at God Why didn t God prevent this from happening Will I see loved ones again Or is heaven just a feel good myth People assume Christians have all the answers yet in the face of tragedy death or suffering everyone struggles to find just the right words to bring comfort or closure to those in need Sometimes just hearing It is God's will isn't enough Sometimes just saying God will turn this to good seems so meaningless when despair is so profound Often the pain goes too deep the questions won t go away and even the assurance of faith doesn t help How could God let this happen How can God love us yet allow us to suffer in this way What is the point of this What is the purpose In this provocative new book Ken Ham makes clear answers found in the pages of Scripture powerful definitive and in a way that helps our hearts to go beyond mere acceptance When you grasp the reality of original sin and all that it means it creates a vital foundation for your heart to finally understand what follows

How Could a Loving God ...? James R. Murphy,2013-07-29 I had the privilege early in my writing career to work with a number of Christian ministries I found the work both challenging and satisfying delighted to play some small role in the work of transforming lives that was our common goal And yet I would often find myself deeply troubled by what I saw When confronted with personal disaster and all disasters are personal for someone the aware believer must sooner or later ask himself or herself the question How could a loving God allow this In fact it is the question the unbelieving world throws in the face of the Church as an excuse to discount our claims It is an honest and disturbing question Standing in the midst of a developing world slum surrounded by cardboard and corrugated shanties my nose assaulted by open sewers body and throat covered with the fine dust of unpaved streets and watching nursing mothers with eyes devoid of hope I ask myself How could a loving God permit this Does He not hear their cry Standing on a now peaceful coastline littered with the evidence of a killer tsunami is not my God of love touched by the tragedy of whole villages drowned Lassoed to a halt by the desperate pleading gaze of a roomful of Romanian orphans overwhelmed by the need for love of just one much less a hundred does not the heart of my God break At home in Los Angeles walking down a skid row street on a balmy summer night the only shelter the climate itself does not my Lord remember having no place to lay his head How many times in the midst of doing what little I can have I cried out in anguish God it s too much How do You stand it How is it You do not rend the heavens and scatter the

stars reaching out in your awesome power to feed the hungry heal the sick comfort the broken and console the lonely How can You possibly know all things and yet do nothing How is it that I being a man of dust with a heart of stone find myself brought to my knees in tears at the plight of my brothers and sisters while You who can do all things remain untouched Aloof Unmoved How do I answer the unbeliever who challenges my assertion that God is love that He knows all things and can do all things and has provided a way out of sin by the death of his Son What do I say when they look around at the world and say If this is what your God is like I want nothing to do with Him With what argument do I refute a child dying of diarrhea who could have been saved by clean water and a few pennies worth of salts When my own heart is pierced with impotent compassion how do I shield my God from the accusatory arrows of suffering For too many years the answer has been I don t know Someday I will For now I stand in faith believing in a God I cannot see and whom I do not understand but whom I know to be love Yes I ve heard the arguments about someday about sovereignty about predestination and sin and the arrogance of man to question the will and motivation of his Maker I ve staunchly defended in public while agonizing in private the answer to what in my opinion is one of the most troubling questions of our times For me the answer to the question How could a loving God has been a key that has opened a new phase in my relationship with a God who I am now persuaded in fact loves the world with a love more amazing than ever before I must warn you however the answer to the title question will usher you into a new responsibility as a child of God because we hold the key and as we discover it in our hand we are called to use it to unlock a new and powerful revelation of the love of God demonstrated to a hurting and unbelieving world We have been given a priceless gift and awesome accountability May the Spirit of God use this simple book written by a broken and unworthy messenger to challenge us all to walk worthy of the high calling of God in Messiah Yeshua Adversity Gary Nicolosi, 2023-01-25 No one is spared suffering no one To be human is to suffer Grief pain injustice disappointment life serves these up in portions great and small We can try to deny this reality or escape from it through endless diversions. We can even fall into despair the seemingly rational response of a caring person when faced with a cold uncaring world Denial diversion and despair Is that all there is Is there another way A way that is honest about suffering and yet offers hope rather than despair victory rather than victimhood About twenty five hundred years ago a literary masterpiece came on the scene Known as The Book of Job a wisdom book in the Hebrew Bible and Christian Old Testament it has stirred serious thinkers and honest seekers for generations To be sure the grim story of a righteous man who loses everything wealth health and even his children raises almost as many questions as it answers But that is to its credit The Book of Job never stoops to simplistic answers to hard questions Instead this narrative openly wrestles with some of life s most difficult moral and spiritual puzzles including how to reconcile a loving just God with a suffering and unjust world Powerful and poetic it points a way through life s most difficult challenges the setbacks and sufferings that inevitably come our way This is the way of Strength in Adversity a way of honest hope and courageous faith **The Mystery Beyond**

Ray, 2022-06-14 A Christian systematic theologian should read widely think deeply and share ideas concerning the biblical meaning of Christian Faith as do biblical theologians But for systematics the decisive focus is on the normative significance of Christian faith for today having taken account of insights from various disciplines from biblical and historical theology in particular and from the systematic theologies that one finds helpful In its critical and constructive effort this volume is much indebted to the writings of a wide range of systematic and biblical theologians Sometimes in the background but often in the foreground is biblical analysis and interpretation This writing never just expounds the ideas of particular systematic or biblical theologians but utilizes them where helpful for articulating Christian Faith Apologetics in the New Age David K. Clark, Norman L. Geisler, 2004-06-21 Many books have successfully defended Christianity against Western rational skepticism Apologetics in the New Age represents the first serious attempt by evangelical philosophers to answer Eastern pantheism in general and the New Age movement in particular Teaming up with David Clark Norman Geisler one of evangelicalism's leading apologists probes the pantheistic worldview and its relationship to the New Age movement Pantheism the authors write constitutes the soil in which the movement grows The notion that every person participates in the divine has found fertile expression in contemporary American culture The American consciousness of the Eastern alternative has risen rapidly in the last few decades the authors remind us Christian apologists have been caught unaware For this reason we believe that Christian apologists must turn their attention in a new direction by developing new arguments for this New Age Responsive **Prayers** David Sparks, 2018-05-30 My Revision Notes Edexcel Religious Studies for GCSE (9-1): Beliefs in Action (Specification B) Victor W.
