of ourselves whereas the only true security is one that is grounded in having a right relationship with self and a right relationship with the Divine To guide us onto this path of spiritual ascension Soul Psychology offers a stimulating new viewpoint that expands the boundaries of traditional spiritual practice providing a wealth of accessible and powerful meditations and exercises including The six step process for healing and spiritualizing emotions The spiritual science of the seven rays and the twenty two chakras Methods for clearing negative psychic energies that inhibit soul growth The one hundred most common pitfalls and traps on the spiritual path *Just Love* Sri Swami Vishwananda, 2012-05-08 JUST LOVE contains everything the entire universe It describes a Love that has been addressed before after all there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply JUST LOVE is expressed by someone who not only knows about the all pervading all sustaining Divine force that forms the creation of the Universe but who is completely one with it JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way Sri Swami Vishwanada's message is simple Just Love Yes just love Love is all there is Love is all you have to do the rest will take care of itself PAUL'S LETTER TO THE EPHESIANS Edward D. Spurgeon's Sermons Volume 19: 1873 Charles Haddon Spurgeon, Knight of Faith, Volume 1 Norman Percy
Grubb,2006-03-06 The title Knight of Faith is taken from Fear and Trembling by Soren Kierkegaard This knight is an ordinary
man who believes Gods word to him against all appearanceslike Abraham the original knight of faith did with Isaac He enters
this narrow way of faith where few venture Kierkegaard says he is very different from the knight of infinite resignation who
believes the answer will come sometime if not in this life then in the next About this knight of faith Kierkegaard writes But if I
knew where there was such a knight of faith I would make a pilgrimage to him on foot for this prodigy interests me
absolutely I would not let go of him for an instant every moment I would watch to see how he managed to make the
movements I would regard myself as secured for life and would divide my time between looking at him and practicing the
exercises myself and thus would spend all my time admiring him This knight of faith is found in Norman Percy Grubb He
looked the ordinary man such as any ordinary man but he had discovered the keys of the kingdomfaithand shared it with all
As you read his letters you too will find a remarkable yet very human person who spent a lifetime seeking Gods face believing
by virtue of the absurd and relentlessly sharing in every way possible that which God had given him The world will not
always recognise the true knight but he is therebutcher baker or candlestick makerora housewife with a vision of the

main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live
