The Five Pillars of Relationships Peter Sammarco, 2005 The Five Pillars of Relationships Be the creator of your own world *Radical Loving Care* Erie Chapman, 2003 What is radical about providing loving care The radical concept is that each and every caregiver in today's hospitals should be providing loving care to their patients and to each other In the same vein each and every leader in our hospitals should be taking care of those who care for others This work addresses healthcare leaders through illustrative examples and compelling outcomes that demonstrate the success of the Healing Hospital model in today's hospital Training tools are also provided to help leaders and employee partners construct and advance a culture of loving care in today's technocratic hospital setting Love Letters to bell hooks Tricia M. Kress, Robert Lake, Nadia Khan-Roopnarine, Perpetual Anastasia Hayfron, Nicolle Session, 2025-09-05 bell hooks was one of the most influential voices in critical and culturally responsive education In recognition of the magnificence of bell's contributions to the field of education this book is the first of its kind to bring together scholars educators and young people to honor her broad and deep legacy Written in letter form each chapter reflects how bell hooks many influential books have shaped the lives and livelihoods of the people who have read them Narrative in style and accessible to a wide audience of readers this collection serves as a bridge between the philosophical and the practical components of bell's work as authors demonstrate the direct influence and application of hooks legacy in their lives Love Letters to bell hooks is a wonderful companion to any of bell's other works and is especially relevant to undergraduate and graduate Education students as well as in service educators pursuing professional development *Path to Soul to Heal* Jono Roberts, 2024-02-28 Path to Soul to Heal is a simple but powerful take on how the author healed their body even though Western medicine says there is no cure for autoimmune diseases Fortunately God told him the truth The body will heal when you align with me and I will guide you On this healing journey he celebrates the amazing connection that each one of us has with God and the universe He answers questions such as How can we properly nourish our physical bodies How can we overcome a state of fear How has humanity manipulated the Bible The author observes that we have a food system that does not care about health and a health system that does not care about food We are deliberately and constantly bombarded with toxins to keep us in a low vibrational state of fear hopelessness and sickness But by working with God we can achieve a type of healing that virtually everyone says is impossible Join the author as he celebrates what's possible when we look to the Lord for answers Using Narrative Writing to Enhance Healing Bird, Jennifer Lynne, 2019-11-01 The fields of writing as healing and health coaching have expanded to aid in the physical and emotional healing of patients Using writing as a healing method allows patients to create new perspectives of their healing processes and professionals to propose new methods of healing that promote and maintain a positive outlook Using Narrative Writing to Enhance Healing is an essential scholarly publication that approaches healing through the fields of education and medicine Featuring a wide range of topics such as collaborative narratives patient

Christian Marriage and Family Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church s understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Beautiful Risk James H.
