created by poverty Overlooking something crucial i.e. friendship it appears that our societies are ignoring the importance of friendship The philosophy behind *Worthy a Friend* is to help the world appreciate the reality that In poverty and other misfortunes of life true friends are a sure refuge It keeps the young out of mischief it comfort and aid the old in their weakness and it incite those in the prime of life to noble deeds Friendship is vital for wellbeing and it is the only glue that can stick the world together yet it takes time to develop and can't be artificially created *Worth A Friend* recommends carrying out personal friendship audit in order to recognize which friendships provide important things one need then to sharpen each friendship in line with its strength It discuss on how close friendship can be a mirror of your own self it adds that friendship is also important in politics and business because it cultivates the virtues such as creativity and compassion which are essential to a flourishing society It concludes that if we cultivate friendship we can lift some of the burden from our apparently unhappy isolated selves

Lee, 2005-10-05 Why did you write the book everyone wanted to know Why would you put yourself through that all over again I tell them that it was a promise that I had to fulfill I was driven by that promise to 1 inform the general public of a serious social problem of epidemic proportion 2 help the victims of sexual child abuse better cope with their problems through Christian principles and methods assuring them that they are not alone in their struggles 3 bring the perpetrators to a realization of what they are doing why they are doing it leading them to seek help and forgiveness and 4 lead the victim through steps to total healing through forgiveness I have just completed the book by Sandra G Lee Father forgive my Father What an awesome book and life story to be told The author shared all aspects of the history of child abuse through her eyes as a child and as an adult More people should share as Sandra Lee has and the world would be a better place Hats off to Sandra for being a strong and dedicated Christian to face adversity with non Christian individuals or those in denial of an epidemic worth sharing There should be more people such as her to keep the world in a better place
