Lowreys International Trumpet Discography 2 Vols:

Fanfares and Finesse Elisa Koehler, 2014-02-27 A concise guide linking the history of trumpet to performance includes information on band music bugle calls orchestral repertoire and jazz American Reference Books Annual Unlike the violin which has flourished largely unchanged for close to four centuries the trumpet has endured numerous changes in design and social status from the battlefield to the bandstand and ultimately to the concert hall This colorful past is reflected in the arsenal of instruments a classical trumpeter employs during a performance sometimes using no fewer than five in different keys and configurations to accurately reproduce music from the past With the rise in historically inspired performances comes the necessity for trumpeters to know more about their instrument s heritage its repertoire and different performance practices for old music on new and period specific instruments More than just a history of the trumpet this essential reference book is a comprehensive guide for musicians who bring that musical history to life A compendium of trumpet history with short fact filled chapters It will serve both amateur and professional musicians alike and few could read this text without learning something *Fanfares and Finesse* is a thorough sampling of trumpet topics including something of interest for every trumpet player brass enthusiast or curious reader Pan Pipes Trumpet players in a wide variety of situations and at many levels will find a great deal of useful information presented in a clear engaging reader friendly way yet backed by solid research While some topics are covered in more depth than others Koehler s breadth of vision and thoroughness are commendable For all trumpeters and anyone who teaches them Choice *East Meets West* Edward H. Tarr, 2003 The waning years of the Russian Empire witnessed the development of a rich tradition of trumpet playing Noted trumpet scholar and performer Edward Tarr s latest book illuminates this tradition which is little known in the West Tarr s extensive research in hitherto inaccessible Russian archives has uncovered many documents that illuminate the careers of noted performers These documents are reproduced here for the first time A concise chronological summary of Russian political and musical developments provides an effective backdrop for this inventory of trumpeters The author ably demonstrates how profoundly Russian trumpet playing and pedagogy were influenced by emigr es particularly from Germany Wilhelm Wurm Willy Brandt Oskar B hme and how Russian born trumpeters like Vladimir Drucker subsequently influenced the American musical scene In his *Lexicon of Trumpeters* both Russian and Foreign Active in Russia Tarr supplements his own research with information from valuable but obscure secondary sources in Russian This lexicon carries the story into the late twentieth century and includes modern legendary figures such as Timofey Dokshizer Members of the International Trumpet Guild will receive a discount of 15% on purchases of this title **Twentieth-Century Brass Soloists** Michael Meckna, 1994-02-28 Musical performance on brass instruments has blossomed in the 20th century because of technical improvements in horn making a vastly increased literature and an astonishing number of outstanding players Louis Armstrong Tommy Dorsey and Doc Severinsen have become household names and classical musicians such as Maurice Andre Christian Lindberg and Barry

Tuckwell have pursued distinguished careers as soloists Twentieth Century Brass Soloists analyzes and celebrates nearly one hundred brass soloists who have performed and been recorded widely and whose genius technique and style have combined to produce unforgettable moments in music Brass Bands of the British Isles 1800-2018 - a historical directory Gavin Holman, Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history This directory is an attempt to collect together information about such bands and make it available to all Over 19 600 bands are recorded here with some 10 600 additional cross references for alternative or previous names This volume supersedes the earlier British Brass Bands a Historical Directory 2016 and includes some 1 400 bands from the island of Ireland A separate work is in preparation covering brass bands beyond the British Isles A separate appendix lists the brass bands in each county *The Brass Band Bibliography* Gavin Holman, 2019-08-05 9th edition 2019 A comprehensive list of books articles theses and other material covering the brass band movement its history instruments and musicology together with other related topics originally issued in book form in January 2009 **Phonographic Bulletin**, 1991 *A Dictionary for the Modern Trumpet Player* Elisa Koehler, 2015-03-01 Titles in Dictionaries for the Modern Musician series offer both the novice and the advanced artist key information designed to convey the field of study and performance for a major instrument or instrument class as well as the workings of musicians in areas from conducting to composing Unlike other encyclopedic works contributions to this series focus primarily on the knowledge required by the contemporary musical student or performer Each dictionary covers topics from instrument parts to playing technique and major works to key figures A must have for any musician s personal library Trumpeters today perform a vast repertoire of musical material spanning 500 years much of it in a variety of styles and even on a number of related instruments In *A Dictionary for the Modern Trumpet Player* scholar and performer Elisa Koehler has created a key reference work that addresses all of the instruments in the high brass family providing ready answers to issues that trumpeters conductors and musicians commonly and sometimes not so commonly encounter Drawing on a broad range of scholarly sources *A Dictionary for the Modern Trumpet Player* includes entries on historic instruments like the cornetto keyed bugle and slide trumpet jazz trumpet techniques mutes and accessories and ancient ancestors of the trumpet and related non Western instruments In addition to its concise and detailed definitions this work includes biographies of prominent performers teachers instrument makers and composers of trumpet solo and ensemble literature often omitted from other musical references Carefully labeled illustrations illuminate the inner workings of various valve mechanisms allowing readers to visualize the more technical points of high brass instruments Appendixes include a time line of trumpet history a survey of valve mechanisms a list of prominent excerpts from the orchestral and operatic repertoire and an extensive bibliography From quick definitions of confusing terms in a musical score to an in depth overview of trumpet history *A Dictionary for the Modern Trumpet Player* is an ideal reference for students professionals and music lovers **Forthcoming Books** Rose Army, 1990 Historic Brass
