Tales of a Woman's Struggle Josephine Rose Newton, 2010-11-10

Tales of a Woman's Struggle Josephine Rose Newton. Trials and tribulations come in all shapes and sizes. Whether you are dealing with unexpected pregnancy, divorce, or the death of a family member, you will find solace in Josephine Rose Newton's book *Tales of a Woman's Struggle*. Her fabulous characters are well-crafted and really speak to the distresses women encounter in their lives. Women face unique struggles with which men do not relate. While men feel pain during divorces or the deaths of loved ones, they cannot understand exactly what women are going through in similar situations. Newton's short stories are touching, and every woman can find a little of herself in each character. The characters are like ourselves, our mothers, our aunts, and our best friends, each calling out for understanding and empathy. Newton's writing style is easy to read, which makes it easy to open the heart. You may be a Nora who has been faithful her entire life but is crippled by loss. You could be a Jill who seems to face multiple trials and is unable to see where her life will lead. You may even be a Lily who always thought her life would be something that never panned out. Each character has her faith tested in different ways but in the end finds her strength in her walk with God. Faith is tried over and over again when we think we are finally through; we find there is another test waiting for us. No matter what test of faith you are experiencing in *Tales of a Woman's Struggle*, you will find one of these artfully crafted characters with whom you can identify. We women understand how important it is to be strong for our families, and Newton's book is the perfect place to strengthen and recharge your faith. Whether you read the book to energize your own faith or give it to a woman you love, you will not be disappointed by Newton's short story collection.

At his desk one day, prominent Washington commentator Adam Zweig receives a text message: "Btw, want to give you a heads up abt some breaking news it reads: Call soonest. These are the early rumblings of an eventual media storm generated by small town reporter Valerie Iovine who has gone public with her account of sexual harassment at the hands of esteemed editor and liberal icon Max Lieberthol. Adam has never forgotten his history with Valerie; as former colleagues, their workplace collaboration had gradually tipped into a mutual romantic attraction. Or so he believed. Confronted by the claims against his former boss and a growing awareness of rampant sexism in his industry, Adam, who had always thought of himself as progressive, is forced to challenge his own assumptions over the years.
