Luncheonette A Memoir:

Luncheonette Steven Sorrentino, 2009-10-13 When his father contracted a sudden illness that left him paralyzed Steven Sorrentino stowed away his dreams of Broadway stardom and returned home to West Long Branch New Jersey to help his family out Taking over Clint's Corner his father's luncheonette Steven found himself at the grill flipping porkroll serving a counter full of eccentrics and confiding in Dolores the crusty head waitress with a particular flair for butchering the English language From this unusual post Steven watched his ailing father who though confined to his wheelchair refused to accept defeat and even managed to further his career in local politics Somehow the more his father triumphed the more Steven's own life seemed to stall Guilty and confused Steven made a shocking and desperate decision not knowing that he was about to stumble upon the secrets of his father's resilience Luncheonette is an irresistible true story about the unexpected lessons life brings and of the inspiration we find in the least likely places

Corrections to My Memoirs Michael Kun, 2011-03-04 From the author of *A Thousand Benjamins* and *The Locklear Letters* comes an irreverent and hilarious collection of short stories There are the lives we lead And the lives we wish we led The difference between the two is the dilemma that the offbeat characters in *Corrections to My Memoirs* seek to resolve From the fabrications of the misguided autobiographer in the title story to the unusual encounter of the narrator in *The Last Chance Texaco* these are people slowly learning the truth about the world They are discovering that the line between fantasy and reality is as thin as a white lie and that reality can't be altered because we wish it so With a style that is both humorous and heartbreaking Kun reveals the hidden side of human existence and shows us that the difference between what is perceived and what is real is often more significant than we'd like to admit
